Whereas, on the basis of indent placed by Officer Commanding, 57  
 RCC (GREF) vide No. 2043/LA/Bhagnoti/82/E2 dated 26-04-2019, a  
 notification under section 4 (1) was issued by Collector, Land Acquisition  
 (Defence) Rajouri/Poonch Hq., Rajouri vide No. Coll/Def/2019-20/522-27  
 dated 19-08-2019 for land measuring 01 Kanal and 06 Marlas, situated at  
 Village Bagnoti, Tehsil Nowshera, District Rajouri ;

Whereas, the District Collector (DC), Rajouri vide No. Coll/Def/  
 2019-20/665 dated 21-09-2019, has reported that the notification issued  
 under section 4 (1) of the J&K State Land Acquisition Act was served  
 upon the interested persons for filing objections, if any, to the proposed  
 acquisition, but no objection was received from the land owners/interested  
 persons in the prescribed time period as required under sections 5 & 56A  
 of the Land Acquisition Act ;

Whereas, the report furnished by the District Collector (DC),  
 Rajouri vide No. referred to above duly endorsed by the Divisional  
 Commissioner, Jammu vide No. 502/3656/Acq/Bagnoti/GREF/Raj/  
 19/2257-59 dated 24-09-2019 and by the Financial Commissioner,  
 Revenue vide No. FC-LS/LA-4969/2019 dated 26-09-2019 has been  
 examined and it has been found that the land owners did not file any objection  
 to the proposed acquisition ;

Whereas, the Government is satisfied that the land particulars  
 whereof are given above is required for public purpose viz. for construction  
 of Two Lane Paved Shoulder road on existing double lane specification,  
 situated at Village Bagnoti, Tehsil Nowshera, District Rajouri by GREF ;

Now, therefore, in pursuance of section 6 of the J&K State Land Acquisition Act, Samvat 1990, it is declared that land measuring 01 Kanal 06 Marlas situated in Village Bagnoti, Tehsil Nowshera, District Rajouri, particulars whereof are given above is required for public purpose viz. for construction of Two Lane Paved Shoulder road on existing double lane specification, situated at Village Bagnoti, Tehsil Nowshera, District Rajouri by GREF. Further, the Collector, Land Acquisition (Defence), Rajouri/Poonch Hq., Rajouri is directed under section 7 of the said Act to take order for acquisition of the said land after giving prescribed notice to the interested person(s) as required under the Land Acquisition Act/Rules.

However, the Collector concerned shall be personally responsible for identification and proper title verification of all types of land involved in the case and apportionment of compensation amongst all the interested persons/rightful claimants in accordance with the relevant laws/rules in force, while making the award.

Secretary to Government,

GOVERNMENT OF JAMMU AND KASHMIR,  
 CIVIL SECRETARIAT& REVENUE DEPARTMENT.

Notification No. 2426Rev (LAJ) of 2019

Dated 24-10-2019.

Whereas, the land specifications whereof are given below is required for public purpose viz. for construction of road from Prori Gujran to Panihad-Kotranka situated in Village Prori Gujran, Tehsil Kotranka and District Rajouri under PMGSY ;

Particulars of land				
District	Tehsil	Village	Khasra Nos.	Area
				K. M.
Rajouri	Kotranka	Prori-Gujran	166pt	01600

Whereas, on the basis of an indent placed by Chief Engineer, PMGSY Division Budhal, a notification under section 4 (1) was issued by Collector, Land Acquisition (ACR), Rajouri vide No. AC/LA/213-15 dated 30-05-2014 for land measuring 01 Kanal situated in Village Prori Gujran, Tehsil Kotranka and District Rajouri ;

Whereas, the Collector, Land Acquisition (ADC), Kotranka vide No. ADC/Ktr/235-36 dated 17-07-2019 has reported that the notification

682 The J&K Govt. Gazette, 27th Feb., 2020/8th Phal., 1941. [No. 48  
issued under section 4 (1) of the J&K State Land Acquisition Act by him  
was served upon the interested persons for filing objections, if any, to the  
proposed acquisition, but no objection was received from the land owners/  
interested persons within the prescribed period as required under sections  
5 & 56A of the Land Acquisition Act ; and

Whereas, the report furnished by Collector, Land Acquisition  
(ADC), Kotranka vide No. refer above duly endorsed by District Collector  
(Deputy Commissioner), Rajouri vide No. AC/LA/349-51 dated 21-08-2019,  
Divisional Commissioner, Jammu vide No. 502/3645/PMGSY/Prori/Rajouri/  
19/2320-21 dated 30-09-2019 and by the Financial Commissioner, Revenue  
vide No. FC-LS/LA-4982/2019 dated 18-10-2019 has been examined and  
it has been found that the land owners did not file any objection to the  
proposed acquisition ; and

Whereas, the Government is satisfied that the land particulars  
whereof are given above, is required for public purpose viz., construction  
of road from Prori Gujran to Panihad-Kotranka situated in Village Prori  
Gujran, Tehsil Kotranka and District Rajouri under PMGSY.

Now, therefore, in pursuance of section 6 of the J&K State  
Land Acquisition Act, Samvat 1990, it is declared that the land measuring  
01 Kanal situated in Village Prori Gujran, Tehsil Kotranka and District  
Rajouri particulars whereof are given above is required for public  
purposes viz. for construction of road from Prori Gujran to Panihad-Kotranka  
situated in Village Prori Gujran, Tehsil Kotranka and District Rajouri under  
PMGSY. Further, the Collector, Land Acquisition (ADC), Kotranka, is  
directed under section 7 of the said Act to take order for acquisition of the  
said land after giving prescribed notice to the interested person(s) as required  
under the Land Acquisition Act/Rules.

However, the Collector concerned shall be personally responsible  
for identification and proper title verification of all types of land involved  
in the case for making apportionment of compensation amongst all the  
interested persons/rightful claimants in accordance with the relevant  
laws/rules in force, while making the award.

(Sd.) ABDUL MAJID,

Secretary to the Government,  
Revenue Department.

682

Whereas, the Government is satisfied that the land particulars whereof are given above is required for public purpose viz. for construction of Road from Dangroo to Gadather under PMGSY situated in Village Gadather, Tehsil Gundna, District Doda.

684 The J&K Govt. Gazette, 27th Feb., 2020/8th Phal., 1941. [No. 48  
 684 The J&K Govt. Gazette, 27th Feb., 2020/8th Phal., 1941. [No. 48

Now, therefore, in pursuance of section 6 of the J&K State Land Acquisition Act, Samvat 1990, it is declared that the land measuring 75 Kanals 03 Marlas situated in Village Gadather, Tehsil Gundna, District Doda particulars whereof are given in Annexure-A to this notification is required for public purpose viz. for construction of Road from Dangroo to Gadather under PMGSY situated in Village Gadather, Tehsil Gundna, District Doda. Further, the Collector, Land Acquisition (ACR), Doda is directed under section 7 of the said Act to take order for acquisition of the said land after giving prescribed notice to the interested person(s) as required under the Land Acquisition Act/Rules.

However, the Collector concerned shall be personally responsible for identification and proper title verification of all types of land involved in the case for making apportionment of compensation amongst all the interested persons/rightful claimants in accordance with the relevant laws/rules in force, while making the award.

(Sd.) ABDUL MAJID,

Secretary to the Government,  
 Revenue Department.

ô ô ô ô

GOVERNMENT OF JAMMU AND KASHMIR  
CIVIL SECRETARIATô HOME DEPARTMENT

Notification

Jammu, the 7th January, 2020.

SO-05.ôôWhereas, on 10-09-2019 Police Station, Kralgund received informaton through reliable sources to the effect that one Aijaz Ahmad Bhat S/o Habibullah Bhat R/o Nehama, Karalgund is affiliated with various terrorist organizations and is providing money/other assistance to the terrorists. The act of the said individual poses a potential threat to the security and integrity of the Union Territory ; and

2. Whereas, a case FIR No. 90 of 2018 under sections 124-A RPC, 18 and 39 of ULA (P) Act, 1967 was registered at Pollce Station, Kralgund and investigation was taken up ; and

[illegible]

3. Whereas, during the course of investigation suspects namely Aijaz Ahamd Bhat and Ashiq Ahmad Genie were apprehended and during questioning Aijaz Ahmad Bhat disclosed that he has received Rupees 125000/- in cash from Ashiq Ahmad Ganie S/o Abdul Rehman Ganie R/o Hangal Pawa, Pahalgam which he has kept at his home and on 03-09-2018 during night hours some unknown militants came to his house at Nehama and he gave them one Lac Rupees (Rs.100000/-) for carrying out terrorist activities. He further disclosed that and on 04-09-2018 at about 10:30 hrs. he received an amount of Rupees one lac 100000/- in his Account No. 0622010250000112 of JK Bank, Kralgund by some unknown person through JK Bank, Sangam. He further disclosed that he and his associate Ashiq Ahmad Ganie are providing/collecting money for terrorists for carrying out terrorist activities. Accordingly the disclosure statement was prepared and placed on record during the course of investigation, the Bank account subscriber detail as well as transaction statement of the Bank Account No. 0622010250000112 belonging to accused Aijaz Ahmad Bhat were collected and placed on file as piece of evidence ; and

4. Whereas, investigation conducted further revealed that the cheque was belonging to one Ab. Rashid Dar S/o Moharnrnad Sultan Dar R/o Dogripora, Pulwama which had been deposited in the Account Number 0622010250000112 of Aijaz Ahmad Bhat. Subsequently Ab. Rashid Dar S/o Mohammad Sultan Dar R/o Dogripora, Pulwama on questioning revealed that on 04-09-2018 at about 10.00 A. M. one Sami-ullah Dar S/o Mohammad Ramzan Dar R/o Dogripora, Pulwama came to his house and demanded one Lakh Rupees and also threatened him of dire consequence through hands of active militant Reyaz Naikoo, if the amount is not paid. Due to fear of dire consequence Ab. Rashid Dar had paid Rupees 100000/- through Cheque to said Sami-ullah, accordingly the statement of Ab. Rashid was recorded under section 164-A Cr. PC and placed on file. The statement so recorded would *inter alia* reveal that accused Sami-ullah Dar is working with HM Terrorist organization and has threatened Ab. Rashid Dar that if he did not pay the same amount he will have to face the same consequence as his brother has faced (his brother has been killed by unknown gunman three years ago), and under threat Ab. Rashid Dar has paid One Lakh through Cheque to him ; and

5. Investigation further revealed that the money ultimately was collected by active militant Rayaz Naikoo for carrying out terrorist

No. 40-d] The J&K Govt. Gazette, 7th Jan., 2020/17th Pausa, 1941. 3  
activities. Subsequently accused Sami-ullah Dar was arrested who disclosed that he had deposited the said cheque in account number of accused Aijaz Ahmad on the directions of accused Reyaz Naikoo. Accordingly disclosure statement of accused sami-ullah was prepared and placed on record. The statements recorded under Sections 161/164-A Cr. PC would reveal that the accused persons namely 1. Aijaz Ahmad Bhat S/o Habibullah Bhat R/o Nehama, Kralgund, 2. Ashiq Ahmad Ganie S/o Abdul Rehman Ganie R/o Hangalpawa, Tehsil Pahalgam, District Anantnag and 3. Sami-ullah Dar S/o Mohammad Ramzan R/o Dogripora, Awantipora are involved in raising funds for carrying out terrorist activities with the connivance/instructions of active militant Reyaz Ahamd Naikoo S/o Assad-ullah Naikoo R/o Bagpora, Awantipora ; and

6. Whereas, during the course of investigation, on the basis of statement of witnesses, the seizure memos and other evidence, the Investigating Officer established a *prima facie* case against accused persons namely 1. Aijaz Ahamd Bhat S/o Habibullah Bhat R/o Nehama, Kralgund, 2. Ashiq Ahmad Ganie S/o Abdul Rehman Ganie R/o Hangalpawa, Tehsil Pahalgam, District Anantnag, 3. Sami-ullah Dar S/o Mohammad Ramzan R/o Dogripora, Awantipora and 4. Reyaz Ahamd Naikoo S/o Assadullah Naikoo R/o Bagpora, Awantipora under sections 17, 40 of the Unlawful Activities (Prevention) Act, 1967. Accused Reyaz Ahmad Naikoo is absconding against whom proceedings under section 512 Cr. PC have been proposed ; and

7. Whereas, the Authority appointed by the Government of Union Territory of Jammu and Kashmir under sub-section (2) of section 45 of the Unlawful Activities (Prevention) Act, 1967, has independently scrutinized the Case Diary file and all the other relevant documents relating to the case and has come to a definite conclusion that this is a fit case for accord of prosecution sanction against the said accused persons ; and

8. Whereas, after perusing the Case Diary, the relevant documents and also taking into consideration the observations/views of the Authority appointed under sub-section (2) of section 45 of the Unlawful Activities (Prevention) Act, 1967, the Government of Union Territory of Jammu and Kashmir is of the view that there is sufficient material and evidence available against the accused persons for their prosecution under the aforesaid provisions of law.

Now, therefore, in exercise of powers conferred by sub-section (2) of section 45 of the Unlawful Activities (Prevention) Act, 1967, the Government of Union Territory of Jammu and Kashmir hereby accords sanction for launching prosecution against the accused persons namely

1. Aijaz Ahamd Bhat S/o Habibullah Bhat R/o Nehama, Kralgund,
2. Ashiq Ahmad Ganie S/o Abdul Rehman Ganie R/o Hangalpawa, Tehsil Pahalgam, District Anantnag, 3. Sami-ullah Dar S/o Mohammad Ramzan R/o Dogripora, Awantipora and 4. Reyaz Ahamd Naikoo S/o Assadullah Naikoo R/o Bagpora, Awantipora for the commission of offences punishable under sections 17 & 40 of Unlawful Activities (Prevention) Act, 1967 in case FIR No. 90/2018 of Police Station, Kralgund.

SRO-590 .ô Whereas, on 19-03-2014, Police Station, Hajin received an information to the effect that some activists of Hurriyat Conference namely, 01 Mushtaq Ahmad Bhat @ Mushtaq UI Islam S/o Gh. Qadir R/o Qashir Mohalla, Batamaloo, Srinagar, 2. Ab. Hamid Parray @

2 The J&K Govt. Gazette, 16th Oct., 2019/24th Asv., 1941. [No. 28-u  
Gadayee S/o Gh. Nabi Parray R/o Syed Mohalla, Hajin, 3. Assadullah  
Parray S/o Ab. Gani R/o Syed Mohalla, Hajin, 4. Showkat Ahmad Hajam  
@ Hakeem S/o Gh. Mohammad R/o Paribal, Hajin, 5. Mohammad Yasin  
Dar @ Attaie S/o Atta Mohammad R/o Ompora, Budgam, 6. Mehraj-ud-  
Din Gojri S/o Gh. Mohammad R/o Bazar, Hajin, 7. Mohammad Yousuf  
Naqash S/o Gh. Mohammad R/o Safakadal, Srinagar are provoking the  
general public against sovereignty, integrity of nation by raising anti-  
national slogans and pro-pakistan slogan at Parray Mohalla, Hajin, besides  
advocating the general public against participation in the Elections etc. ; and

2. Whereas, a case FIR No. 26 of 2014 under sections 132 (A) of  
J&K Representation of People Act, 1957, 13 ULA(P) Act was registered  
at Police Station, Hajin and investigation was taken up ; and

3. Whereas, during the course of investigation, on the basis of  
statement of witnesses, the seizure memos and other evidence, the  
Investigating Officer established a *prima facie* against the accused persons  
under sections 13 of the Unlawful Activities (Prevention) Act, 1967 and  
132-B J&K Representation of People Act, 1957 ; and

4. Whereas, the Authority appointed by the State Government under  
sub-section (2) of section 45 of the Unlawful Activities (Prevention) Act,  
1967, has independently scrutinized the Case Diary file and all the other  
relevant documents relating to the case and has come to a definite conclusion  
that this is a fit case for accord of prosecution sanction against the said  
accused persons ; and

5. Whereas, after perusing the Case Diary, the relevant documents  
and also taking into consideration the observations/views of the Authority  
appointed under sub-section (2) of section 45 of the Unlawful Activities  
(Prevention) Act, 1967, the State Government is of the view that there is  
sufficient material and evidence available against the accused persons for  
their prosecution under the aforesaid provisions of law.

Now, therefore, in exercise of powers conferred by sub-section (2) of section 45 of the Unlawful Activities (Prevention) Act, 1967, the State Government hereby accords sanction for launching prosecution against the accused persons namely, 01 Mushtaq Ahmad Bhat @ Mushtaq UI Islam S/o Gh. Qadir R/o Qashir Mohalla, Batamaloo, Srinagar, 2. Ab. Hamid Parray @ Gadayee S/o Gh. Nabi Parray R/o Syed Mohalla, Hajin, 3. Assadullah Parray S/o Ab. Gani R/o Syed Mohalla, Hajin, 4. GOVERNMENT OF JAMMU AND KASHMIR  
CIVIL SECRETARIAT& HOME DEPARTMENT

Notification

Srinagar, the 16th October, 2019.

SRO-588 .& Whereas, on 04-03-2019, Police Station, Sopore received  
an information through reliable source to the effect that a large group of  
people has gathered at the funeral procession of one local militant namely,  
Ishfaq Hameed Mir S/o Abdul Hameed Mir R/o Brath Kalla, Sopore who

2 The J&K Govt. Gazette, 16th Oct., 2019/24th Asv., 1941. [No. 28-tS  
got killed in an encounter and when his dead body was brought to his native village, the group of miscreants raised pro-freedom and pro-pakistani slogans. They were also found waving the Pakistani Flags in their hands and abetting and inciting the people against the sovereignty of India, besides provoking the people against the security forces ; and

2. Whereas, a case FIR No. 45/2019 under section 10 & 13 ULA (P) Act, 1967 was registered in P/S, Sopore and investigation set into motion ; and

3. Whereas, during investigation, the accused was apprehended and from his possession one Pakistani Flag was recovered. On questioning in presence of Executive Magistrate, Sopore, the accused disclosed that he delivered provocative speech to the gathering and lateron uploaded it on social media ; and

4. Whereas, during the course of investigation, on the basis of statements of witnesses, the seizure memos and other evidence, the Investigating Officer established a *prima facie* case against the accused person namely, Masi-ul-lah Dar S/o Ghulam Ahmad Dar R/o Maidanpora under section 13 of the Unlawful Activities (Prevention) Act, 1967, section 10 ULA (P) Act, 1967 was dropped due to lack of evidence ; and

5. Whereas, the Authority appointed by the State Government under sub-section (2) of section 45 of the Unlawful Activities (Prevention) Act, 1967, has independently scrutinized the Case Diary file and all the other relevant documents relating to the case and has come to a definite conclusion that this is a fit case for accord of prosecution sanction against the said accused person ; and

SOLID WASTE MANAGEMENT BYE-LAWS, 2019

- (1) **“Agency”** means Municipal Committee, Langate ;
- (2) **“Aerobic composting”** means a controlled process involving microbial decomposition of organic matter in the presence of oxygen ;
- (3) **“Anaerobic digestion”** means a controlled process involving microbial decomposition of organic matter in the absence of oxygen ;
- (4) **“Authorization”** means the permission given by the State Pollution Control Board, to operator of a facility or Urban Local Authority, or any other agency responsible for processing and disposal of solid waste ;
- (5) **“Biodegradable waste”** means any organic material that can be degraded by micro-organism into simpler stable compounds ;
- (6) **“Bio-methanation”** means a process which entails enzymatic decomposition of the organic matter by microbial action to produce methane rich biogas ;

No. 24-9] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 3  
oo

- (7) **“Brand owner”** means a person or company who sells any commodity under a registered brand label ;
- (8) **“Bulk Gardens, Parks and Horticultural Waste”** means bulk waste from parks, gardens etc. including grass clippings, weeds, woody, brown carbon, rich material such as branches, twigs, wood chipping, straw, dead leaves, tree trimmings, etc. which cannot be accommodated in the daily collection system for bio-degradable waste ;
- (9) **“Bulk Waste Generator”** means bulk waste generator defined under Rule 3(1)(8) of the Solid Waste Management Rules, 2016 (hereinafter referred to as “SWM Rules”) and any other waste generator including buildings occupied by the Central Government Departments or undertakings, State Government Departments or undertaking, Local bodies, public sector undertakings or private companies, hospitals, nursing homes, schools, colleges, universities, other educational institutions, hostels, hotels, commercial establishments, markets, places of worship, stadia and sport complexes having an average waste generation rate exceeding 100 Kg. per day ;
- (10) **“Bye-Laws”** means regulatory framework notified by Municipal Committee, Langate for facilitating the impementation of these rules effectively in their jurisdiction ;
- (11) **“C&D Waste (Construction and Demolition Waste)”** means Construction and Demolition Waste (Debris) that are non-hazardous in nature generated out of building materials, debris and rubble in thir jurisdiction ;
- (12) **“Clean Area”** means the public place in front of and all around or adjacent to any premises extending to the kerb side and including the drain, foot path and kerb cleaned and so maintained in accordance with these bye-laws ;
- (13) **“Cleanliness Fee”** means an amount of fees collected by the managers/organizers for cleaning the site by the Agency ;
- (14) **“Collection”** means lifting and removal of solid waste from source of waste generation, collection points or any other location ;

4 The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. [No. 24-9  
oo

- (15) **“Collection Counter”** means where the user charges shall be remitted which will be available at all Zonal Officers and headquarters ;
- (16) **“Combustible waste”** means non-biodegradable, non-recyclable, non-reusable, non-hazardous solid waste having minimum calorific value exceeding 1500 kcal/kg and excluding chlorinated materials like plastic, wood, pulp, etc. ;
- (17) **“Community waste storage bin”** means any storage facility setup and maintained by the Municipal Committee, Langate and other Local Bodies in the State collectively by owners and or/occupiers of one or more premises for storage of Municipal Solid Waste in a segregated manner in the road side/premises of anyone of such owners/occupiers or in their common premises ;
- (18) **“Composting”** means a controlled process involving microbial decomposition of organic matter ;
- (19) **“Co-processing”** means use of non-biodegradable and non-recyclable solid waste having calorific value exceeding 1500k/cal as raw material or as a source of energy or both to replace or supplement the natural mineral resources and fossil fuels in industrial processes ;
- (20) **“Containerised Hand Cart”** means the hand cart provided by the Municipal Committee, Langate, or the agency/agent appointed by it for point-to-point collection of solid waste ;
- (21) **“Decentralized processing”** means establishment of dispersed facilities for maximizing the processing of biodegradable waste and recovery of recyclables closest to the source of generation so as to minimize transportation of waste for processing or disposal ;
- (22) **“Delivery”** means handing over any category of solid waste to worker of Municipal Committee, Langate or any other person appointed, authorised or licensed by Municipal Committee, Langate for taking delivery of such waste or depositing it in any vehicle provided by Municipal Committee, Langate, to do so ;

No. 24-9] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 5  
oo

- (23) **“Disposal”** means the final and safe disposal of post processed residual solid waste and inert street sweepings and silt from surface drains on land to prevent contamination of ground water, surface water, ambient air and attraction of animals or birds ;
- (24) **“Domestic hazardous waste”** means discarded paint drums, pesticide cans, CFL bulbs, tube lights, expired medicines, broken mercury thermometers, used batteries, used needles and syringes and contaminated gauge, etc., generated at the household level ;
- (25) **“Door to door collection”** means collection of solid waste from the door step of households, shops, commercial establishments, offices, institutional or any other non-residential premises and includes collection of such waste from entry gate or a designated location on the ground floor in a housing society, multistoried building or apartments, large residential, commercial or institutional complex or premises ;
- (26) **“Dry waste”** means waste other than biodegradable waste and inert street sweepings and includes recyclable and non-recyclable waste, combustible waste and sanitary napkin and diapers, etc. ;
- (27) **“Dump sites”** means a land utilized by local body for disposal of solid waste without following the principles of sanitary land filling ;
- (28) **“Event”** means any gatherings for the purpose of functions, celebrations, meetings, rallies, processions, open air theatre activities, cinema shootings in public areas ;
- (29) **“Extended Producer Responsibility”** (EPR) means responsibility of any producer of packaging products such as plastic, tin, glass, wrappers and corrugated boxes, etc., for environmentally sound management, till end of life of the packaging products ;

such as branches, twigs, wood chipping, straw, dead leaves, tree trimmings, etc. which cannot be accommodated in the daily collection system for biodegradable waste ;

- (38) **“House-gully”** means a passage or strip of land, constructed, set apart or utilized for the purpose of serving as or carrying a drain or affording access to the latrine, urinal, cesspool or other for filling of other polluted matter by persons employed in the clearing thereof or in the removal of such matter therefrom.
- (39) **“Incineration”** means an engineered process involving burning or combustion of solid waste degraded waste materials at high temperatures ;
- (40) **“Inerts”** means which are not biodegradable, recyclable or combustible street sweeping or dust and silt removed from the surface drains ;
- (41) **“Informal waste collector”** includes individuals, associations or waste traders who are involved in sorting, sale and purchase of recyclable materials ;
- (42) **“Leachate”** means the liquid that seeps through solid waste or other medium and has extracts of dissolved or suspended material from it ;
- (43) **“Litter”** means all refuse and includes any other waste material which, if thrown or deposited as prohibited under these Bye-Laws, tends to create uncleanness or a danger or nuisance to public health, safety or welfare ;
- (44) **“Littering”** means putting litter in such a location that it falls, descends, blows, is washed, percolates or otherwise escape into or onto any public place or causing, permitting or allowing litter to fall, descend, blow, washed, percolate or otherwise escape into or onto any public place ;

includes the Local Body and any other entity or agency appointed by the Municipal Committee, Langate ;

- (54) **“Owner”** means any person who exercises the rights of an owner of any building, or land or part thereof ;
- (55) **“Pelletisation”** means a process whereby pellets are prepared which are small cubes or cylindrical pieces made out of solid waste and includes, fuel pellets which are also referred as refuse derived fuel ;
- (56) **“Primary collection”** means collecting, lifting and removal of segregated solid waste from source of its generation including households, shops, offices and any other non-residential premises or from any collection points or any other location specified by the Municipal Committee, Langate.
- (57) **“Processing”** means any scientific process by which segregated solid waste is handled for the purpose of reuse, recycling or transformation into new products ;
- (58) **“Public place”** includes any road, arch road, lane, footway, alley or passage, highway, causeway, bridge, square alley or passage whether a thoroughfare or not over which the public have a right of passage, and such place to which the public has access such as parks, gardens, recreation grounds, playgrounds, beaches, water bodies, water courses, public plazas and promenades, government and municipal buildings, public hospitals, markets, slaughter houses, courts, etc. ;
- (59) **“Prescribed”** means prescribed by SWM Rules and/or these bye-laws ;
- (60) **“Receptacle”** means any storage container, including bins and bags, used for the storage of any category of MSW ;
- (61) **“Recycling”** means the process of transforming segregated non-biodegradable solid waste into new material or product

10 The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. [No. 24-9  
oo

or as raw material for producing new products which may  
or may not be similar to the original products ;

- (62) **“Recyclable Waste”** means the waste that is commonly found in the MSW. It is also called as "Dry Waste". These include many kinds of glass, paper, metal, plastic, textiles, electronics goods, etc. ;
- (63) **“Redevelopment”** means rebuilding of old residential or commercial buildings at the same site, where the existing buildings and other infrastructures have become dilapidated ;
- (64) **“Refuse”** means any waste matter generated out of different activities, processes, either Biodegradable/Non-biodegradable/recyclable in nature in either solid or semi-solid form which cannot be consumed, used or processed by the generator in its existing form ;
- (65) **“Refuse Derived Fuel” (RDF)** means fuel derived from combustible waste fractions of solid waste like plastic, wood, pulp or organic waste, other than chlorinated materials, in the form of pellets or fluff produced by drying, shredding, dehydration and compacting of solid waste ;
- (66) **“Residual solid waste”** means and includes the waste and rejects from the solid waste processing facilities which are not suitable for recycling or further processing ;
- (67) **“Rule”** means Solid Waste Management Rules, 2016 ;
- (68) **“Sanitation”** means the promotion of hygiene and the prevention of disease and other consequences of ill health relating to environmental factors ;
- (69) **“Sanitary Landfill Facility”** means a waste disposal site for the deposit of residual solid waste in a facility designed with protective measures against pollution of ground water, surface water and air fugitive dust, wind-blown litter, bad odour, fire hazard, bird menace, pests or rodents, greenhouse gas emissions, slope instability and erosion ;

- (70) **“Sanitary land filling”** means the final and safe disposal of residual solid waste and inert wastes on land in a facility designed with protective measures against pollution of ground water, surface water and fugitive air dust, wind-blown litter, bad odour, fire hazard, animal menace, pests or rodents, greenhouse gas emissions, persistent organic pollutants slope instability and erosion ;
- (71) **“Sanitary waste”** means wastes comprising of used diapers, sanitary toilets or napkins, tampons, condoms, incontinence sheets and any other similar waste ;
- (72) **“Sanitary worker”** means a person employed by the Municipal Committee, Langate for collecting or removing MSW or cleaning the drains in the Municipal Committee, Langate areas ;
- (73) **“Schedule”** means the Schedule appended to these rules ;
- (74) **“Storage”** means the temporary containment of solid waste in a manner so as to prevent littering, attraction to vectors, stray animals and excessive foul odour ;
- (75) **“Secondary storage”** means the temporary containment of solid waste after collection of secondary waste storage depots or MRFs or bins for onward transportation of the waste to the processing or disposal facility ;
- (76) **“Segregation”** means sorting and separate storage of various components of solid waste namely biodegradable waste including agriculture and dairy waste, non-biodegradable waste including recyclable waste, non-recyclable combustible waste, sanitary waste and non-recyclable inert waste, domestic hazardous wastes, and construction and demolition wastes ;
- (77) **“Service provider”** means an authority providing public utility services like water, sewerage, electricity, telephone, roads, drainage, etc. ;
- (78) **“Solid waste”** means and includes solid or semi-solid domestic waste, sanitary and commercial waste, institutional waste and other non-residential wastes, street sweepings,

12 The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. [No. 24-9  
oo

silt removed or collected from the surface drains, horticulture waste, agriculture and dairy waste, treated bio-medical waste, and e-Waste, battery waste, radioactive waste generated in the area under the local authorities and other entities ;

- (79) **“Sorting”** means separating various components and categories of recyclables such as paper, plastic, cardboards, metals, glass, etc., from mixed waste as may be appropriate to facilitate recycling ;
- (80) **“Source”** means the premises in which the waste is generated or a community storage centre used by owners/occupiers of one or more premises for segregated storage of MSW ;
- (81) **“Spittoon”** means a metal or earthenware pot typically having a funnel shaped top, used for spitting into.
- (82) **“Stabilising”** means the biological decomposition or biodegradable wastes to a stable state where it generates no leachate or offensive odours and is fit for application to farm land, soil erosion control and soil remediation ;
- (83) **“Stabilised biodegradable waste”** means the biologically stabilized (free of pathogens) waste resulting from the mechanical/biological treatment of biodegradable waste, only when stabilised can such waste be used with no further restrictions ;
- (84) **“Street vendor”** means any person engaged in vending of articles, goods, wares, food items or merchandise of everyday use or offering services to the general public, in a street, lane, side walk, footpath, pavement, public park or any other places or private area, from a temporary built up structure or by moving from place to place and includes hawker, peddler, squatter and other synonymous terms which may be local or region specific and the words “street vending” with their grammatical variations and cognate expressions, shall be construed accordingly ;

No. 24-9] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 13  
oo

- (85) **“Tipping fee”** means a fee or support price determined by the local authorities or any state agency authorised by the State Government to be paid to the concessionaire or operator of waste processing facility or for disposal of residual solid waste at the landfill ;
- (86) **“Transportation”** means conveyance of solid waste, either treated, partly treated or untreated from a location to another location in an environmentally sound manner through specially designed and covered transport system so as to prevent the foul odour, littering and unsightly conditions ;
- (87) **“Transfer station”** means a facility created to receive solid waste from collection areas and transport in bulk in covered vehicles or containers to waste processing and, or, disposal facilities ;
- (88) **“Treatment”** means the method, technique or process designed to modify physical, chemical or biological characteristics or composition of any waste so as to reduce its volume and potential to cause harm ;
- (89) **“User fee/charges”** means fees or charges imposed by Municipal Committee, Langate through general or special order of the Competent Authority from time-to-time, on the waste generator to cover full or part cost of providing solid waste collection, transportation, processing and disposal services ;
- (90) **“Vacant Plot”** means any land or open space belonging to a private party/person that is not occupied by them/him ;
- (91) **“Vermi composting”** means the process of conversion of biodegradable waste into compost using earth worms ;
- (92) **“Waste hierarchy”** means the priority order in which the solid waste is to be managed by giving emphasis to

14 The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. [No. 24-9  
prevention, reduction reuse, recycling, recovery and disposal,  
with prevention being the most preferred option and the  
disposal at the landfill being the least ;

- (93) **“Waste generator”** means and includes every person or group of persons, every residential premises and non-residential establishments including Indian Railways, defence establishments, which generate solid waste or other institutions i. e. hotels, restaurants, malls, private/government business/ industrial establishments falling within the limits of Municipal Committee, Langate ;
- (94) **“Waste picker”** means a person or groups of persons informally engaged in collection and recovery of reusable and recyclable solid waste from the source of waste generation, streets, bins, material recovery facilities, processing and waste disposal facilities for sale to recyclers directly or through intermediaries to earn their livelihood.

## CHAPTER II

### Segregation and Primary Storage of Solid Waste

#### 4. *Segregation and storage of solid waste at source.*

(i) It shall be necessary for all waste generators to separate and store the solid waste coming out of their own places regularly into three streams namely :

- (a) non-biodegradable or wet waste ;
- (b) biodegradable or wet waste ;
- (c) domestic hazardous waste and deposit it into covered waste bins, and handover segregated waste to designated waste collectors as per the direction of Municipal Committee, Langate from time to time.

(ii) Every bulk waste generator is to separate and store the solid waste coming out of their own places into three streams namely :

- (a) non-biodegradable or dry waste ;

(iii) The colour of bins for storage of segregated waste shall be green- for biodegradable waste or wet waste blue - for non- biodegradable or dry waste and black- for domestic hazardous waste.

(v) All gated communities and institutions with more than 5,000 sq. m. area shall ensure segregation of waste at source by the generators, facilitate collection of segregated waste in separate streams, handover recyclable material to either the authorised waste pickers or the authorised recyclers. The biodegradable waste shall be processed, treated and disposed off through composting or bio-methanation within the premises as far as possible. The residual waste shall be given to the waste collectors or agency as directed by Municipal Committee, Langate.

(vi) All hotels and restaurants shall ensure segregation of waste at source, facilitate collection of segregated waste in separate streams, handover recyclable material to either the authorised waste pickers or the authorised recyclers. The biodegradable waste shall be processed, treated and disposed of through composting or bio-methanation within the premises as far as possible. The residual waste shall be given to the waste collectors or agency as directed by Municipal Committee, Langate.

(vii) No person shall organize an event or gathering of more than one hundred persons at any unlicensed place without intimating Municipal

16 The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. [No. 24-9  
Committee, Langate along with payment of user fee as prescribed in the  
schedule, at least three working days in advance and the person or the  
organizer of such event shall ensure segregation of waste at source and  
handing over of segregated waste to waste collector or agency as specified  
by Municipal Committee, Langate.

(viii) Used sanitary waste are to be securely wrapped as and  
when generated in the pouches provided by the manufacturers or brand  
owners of these products or in a newspaper or in suitable biodegradable  
wrapping materials and place the same in the bin meant for non-  
biodegradable waste or dry waste.

(ix) Every street vendor shall keep suitable containers for storage  
of segregate waste generated during the course of his activity such as  
food waste, disposable plates, cups, cans, wrappers, coconut shells, leftover  
food, vegetables, fruits, etc., and shall deposit such waste at waste storage  
depot or container or vehicle as notified by Municipal Committee, Langate.

(x) Waste generator of garden and horticulture waste generated  
from his premises shall store such waste separately in his own premises  
and dispose of the same as per the directions of Municipal Committee,  
Langate from time to time.

(xi) Domestic Hazardous Waste shall be stored and delivered by  
every waste generator to the collection vehicle which shall be provided  
weekly/periodically by Municipal Committee, Langate or any other Agency  
authorised by it for collection of such waste, or to a centre designed for  
collection of such waste for disposal in a manner that is mandated by the  
Government of Jammu and Kashmir or State Pollution Control Board.

(xii) Construction and Demolition Waste shall be stored and delivered  
separately as per the Construction and Demolition Waste Management  
Rules, 2016.

(xiii) No untreated bio-medical waste, e-Waste, hazardous chemicals  
and industrial waste shall be mixed with solid waste. Such waste shall be  
disposed off in accordance with the respective rules framed under the  
Environment (Protection) Act, 1986.

(xiv) Every owner/occupier of any premises other than designated  
slaughter houses and markets, who generates poultry, fish and slaughter

No. 24-9] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 17  
waste as a result of any commercial activity, shall store the same separately in closed, hygienic condition and deliver it at a specified time, on a daily basis to the Municipal Committee, Langate, collection vehicle provided for this purpose. Depositing of such waste in any community waste bin is strictly prohibited.

(xv) Segregated biodegradable solid waste if not composted by the generators, shall be stored by them within their premises and its delivery shall be ensured to the municipal worker/vehicle/waste picker/waste collector or to the biodegradable waste collection vehicle provided for specified commercial generators of bulk biodegradable waste at such times as may be notified from time to time.

### CHAPTER III

#### **Solid Waste Collection**

5. *Collection of Solid Waste.* (i) In compliance with SWM Rules, 2016, door to door collection of segregated solid waste shall be implemented in all areas or Wards of Municipal Committee, Langate, to collect garbage from every house, including slums and informal settlements on a daily basis by integrating the informal door to door collection system with Municipal Committee, Langate collection system.

(ii) In order to collect garbage from every house, area-wise specific time slot shall be set and published at conspicuous parts of that area and on the website of Municipal Committee, Langate commonly time for house to house garbage collection shall be set from 5.30 A. M. to 10.30 A. M. for summer and for winter 7.00 A. M. to 11.00 A. M. For collection of garbage from trading establishments, shops in commercial areas or any other institutional waste generators, commonly the time shall be from 7.30 A. M. to 11.00 A. M. However, sweeping can be undertaken twice daily, if required at public and commercial places. The timing for collection of garbage from the trading establishments, shops in commercial areas or any other institutional waste generators shall be decided by the Municipal Committee, Langate.

(iii) Arrangements shall be made for collection of residual solid waste from bulk waste generators, which are processing waste *in-situ*.

(iv) Residual solid waste from vegetable, fruit, flower, meat, poultry and fish market shall be collected on day to day basis.

(vi) To make optimum use of biodegradable waste from fruits and vegetable markets, meat and fish markets, bulk horticulture and garden waste and to minimize the cost of collection and transportation, such waste shall be processed or treated within the area where waste is generated.

(viii) Waste generators shall be responsible to deposit their segregated waste in the Auto-Tipper/Rickshaws etc. deployed by Municipal Committee, Langate. Segregated waste from multistoried buildings, apartments, housing complexes may be collected from the entry gate or any other designated location.

(x) Automatic voice recorded device, bell or horn having sound not more than the permissible noise level shall be installed on every garbage collection vehicle used by waste collectors.

(xi) Route plans for each primary collection and transportation vehicle shall be provided by Municipal Committee, Langate or by the notified authorised waste collector. These plans in tabular as well as GIS map form, duly approved by Municipal Committee, Langate shall mention starting point, start time, waiting time on route, end point and end time of the

No. 24-9] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 19  
specified route. Municipal Committee, Langate or the notified authorised waste collection and transportation shall provide a Board at each street to display time table of primary collection and transportation vehicles to allow residents avail the facility at prescribed time. Such information shall also be uploaded on the website of Municipal Committee, Langate and published in the local leading newspaper periodically for the information of General Public.

(xii) In narrow streets that cannot be serviced by auto-tipper or the vehicle, a 3-Wheeler or smaller motorized vehicle with hydraulically operated hopper covering mechanism from top having two compartments for carrying wet and dry waste separately with a hooter, compatible with mobile transfer station shall be deployed.

(xiii) In congested and narrower streets that cannot even be serviced by 3-Wheeler or smaller vehicle, cycle rickshaws or any other type of suitable equipment shall be deployed.

(xiv) Smaller, narrow and congested streets/lanes where even a 3-wheeler/rickshaw etc. cannot operate, vantage points shall be designated at the start of the locality/street where the collection vehicle shall be parked and the helper/driver of vehicle shall carry a whistle and walk in the locality to announce arrival of vehicle for collecting solid waste. Time table for such collection system shall be displayed at the notice board and uploaded on the website of Municipal Committee, Langate.

(xv) Auto-tippers, 3-wheelers, rickshaws and other type of collection vehicles engaged in this service shall collect waste only from households and not from any other source viz. dhalaos, open sites, ground, bins and drains etc.

(x) Municipal Committee, Langate or its notified authorised waste collectors shall be responsible to cover all the streets/lanes of each zone for the primary collection.

## CHAPTER IV

### Secondary Storage of Solid Waste

6. *Storage of solid waste in the secondary storage points.* (i)  
Segregated solid waste collected from door-steps shall be taken to waste

20 The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. [No. 24-9  
storage depots, community storage bins or fixed or mobile transfer stations  
or the locations specified by Municipal Committee, Langate for secondary  
storage of waste.

(ii) Such secondary storage points shall have covered containers  
(of specified colour) for separate storage of,

- (a) non-biodegradable or dry waste ;
- (b) biodegradable or wet waste ;
- (c) domestic hazardous waste ;

(iii) Different containers shall be used in the areas demarcated  
by Municipal Committee, Langate to keep segregated waste in the following  
manner :

- (a) green-for biodegradable waste ;
- (b) blue-for non-biodegradable waste ;
- (c) black-for domestic hazardous waste ;

Municipal Committee, Langate shall separately notify, from  
time to time, mandatory colour coding and other specifications  
of receptacles prescribed for storage and delivery of different  
types of solid waste to enable safe and easy collection  
without any mixing or spillage of waste, which generators of  
different types of solid waste shall have to adhere to.

(iv) Municipal Committee, Langate on its own or through  
outsourcing agencies shall maintain the storage facilities for solid waste  
in a manner that does not create unhygienic and unsanitary conditions  
around it.

(v) Containers of various sizes in the secondary storage depots  
shall be provided by Municipal Committee, Langate or any assigned  
agencies in different colours as mentioned in these bye-laws.

(vi) Storage facilities shall be created and established by taking  
into account quantities of waste generation in a given area and the density  
of population.

(vii) Storage facilities shall be user friendly and shall be so designed that it ensures compaction of waste and that the waste stored is not exposed to open atmosphere.

(viii) All the housing co-operative societies, associations, residential and commercial establishments and gated communities etc. shall have the responsibility to put coloured bins as prescribed by these bye-laws and to keep adequate number of containers in appropriate places in their own complexes, so that the daily waste generated there can be properly deposited.

(ix) Municipal Committee, Langate or its specified agency shall carry out washing and disinfection of all the bins on a weekly basis.

(x) Recycling Centers for Dry Waste (Non-Biodegradable Waste)ô

- (a) Municipal Committee, Langate shall convert its existing Dhalaos or identify specific location as per requirement, as -Recycling Centersø which shall be used for segregation of dry waste received through street/door to door waste collection service. Recycling centers may be increased depending on the quantity of dry waste received.
- (b) Dry (non-biodegradable) waste from street/door to door collection system and from commercial establishments shall be transferred only to these designated -recycling centersø These designated centers shall receive only dry waste.
- (c) There shall also be a provision for the households to directly deposit or sell their recyclable dry waste to the authorised agents and/or authorised waste dealers of Municipal Committee, Langate at these recycling centers at pre-notified rates. A weighing scale and a counter shall be provided at each recycling unit for this purpose. The authorised agents and/or authorised waste dealers shall be allowed to dispose off or sell the recyclable waste to the secondary market or recycling units only in consonance with the provisions of

22 The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. [No. 24-9  
SWM Rules, 2016. The authorised agents and/or authorised  
waste dealers will be entitled to retain sales realization thereof.

(xi) Deposition Centre for specified Domestic Hazardous  
Waste

- (a) For the collection of domestic hazardous waste, a deposition centre will be set up at a suitable location for receiving the specified domestic hazardous waste. Such facility shall be set in each ward in a manner as per guidelines prescribed and notify the timing of receiving of such waste.
- (b) Municipal Committee, Langate may also give the responsibility to its agency or concessionaire to collect domestic hazardous waste from all waste generators in segregated manner.
- (c) Such waste shall be transported separately to the hazardous waste disposal facility set up by the Government.

## CHAPTER V

### Transportation of Solid Waste

7. *Transportation of solid waste.* (i) Vehicles used for transportation of waste shall be covered in such manner that the collected waste is not exposed to open environment. The vehicles may also include compactors and mobile transfer stations depending upon choice of technology by Municipal Committee, Langate.

(ii) The storage facilities set up by Municipal Committee, Langate shall be attended daily for clearing waste. The areas around the place where the bins or containers are kept shall also be cleaned.

(iii) Collected segregated biodegradable waste from residential and other areas shall be transferred to the processing plants like compost plants, bio-methanation plants or any such other facilities in a covered manner.

No. 24-9] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 23  
oo

(iv) Wherever applicable, for biodegradable waste, preference shall be given for on-site processing of such waste.

(v) Collected non-biodegradable waste shall be transported to the respective processing facilities or secondary storage facilities.

(vi) Construction and Demolition Waste shall be transported as per the provisions of the Construction and Demolition Waste Management Rules, 2016.

(vii) Municipal Committee, Langate shall make arrangements for transportation of inerts in a proper manner. The street sweeping waste and removable drain silt shall be removed immediately after the work is over.

(viii) Transportation vehicles shall be so designed that multiple handling of waste, prior to final disposal, is avoided.

(ix) The collection vehicles engaged for the purpose shall deposit/transfer waste only at the MTS (Mobile Transfer Station) or FCTS (Fixed Compactor Transfer Stations) wherever provided.

(x) In case MTS/FCTS is not stationed at the designated location at that point of time for any reason, then the loaded vehicle shall go to the next designated location of the MTS or FCTS or the site specified by Municipal Committee, Langate to unload the waste.

(xi) Fixed compactor transfer station shall be transported through hook loader.

(xii) MTS or FCTS shall transport the waste directly to compost plant, waste to energy plant or any other site/plant designated by Municipal Committee, Langate.

(xiii) There should be no inter-mixing of waste from various sources during the transportation of waste.

(xiv) The services of street level collection and transportation of waste shall be provided every day including holidays.

(xv) MTS engaged in this service shall receive waste only from designated auto-tippers, 3-wheelers or vehicle/bins collecting waste from street level operations.

(xvii) Design of MTS and FCTS shall allow unloading of waste from primary collection vehicles by consuming minimum time and without littering waste.

(xix) Municipal Committee, Langate or its specified agency shall install CCTV cameras at all secondary storage facilities.

## Processing of Solid Waste

- (a) to minimise transportation cost and environmental impacts, preference shall be given to decentralised processing such as bio-methanation, microbial composting, vermi composting, anaerobic digestion or any other appropriate processing for bio-stabilisation of biodegradable waste ;
- (b) through medium/large composting bio-methanation plants at centralised location ;

No. 24-9] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 27  
months will be charged instead of twelve months. Similarly, for six months  
advance payment, five and half months demand amount will be charged  
instead of six months.

(g) The user fee mentioned in Schedule-I shall stand automatically  
increased by 5% after every 3 years with effect from 1st January of the  
year.

(h) The user fee shall be collected only by the institution/person  
authorised by the competent authority by a general or special order in this  
behalf.

(i) In case of default of payment of user fee/fine, the competent  
authority may recover the same from the defaulter as an arrear of land  
revenue as per the provision of Land Revenue Act, 1996. However,  
Municipal Committee, Langate shall be allowed to effect the recovery  
under the provisions of Jammu and Kashmir Municipal Act, 2000.

#### 12. *Fine/Penalty for contravention of SWM Rules.*

(a) Whosoever contravenes or fails to comply with any of the provisions  
of SWM Rules or these bye-laws shall be imposed with fine as mentioned  
in Schedule-II appended to these bye-laws.

(b) In case of repeated contravention or non-compliance as  
mentioned in clause (a) above, fine amount for every such default shall  
be levied per day or month, as the case may be.

(c) The Commissioner/Executive Officer shall designate officers  
for levying fine or penalty by a general or special order in this behalf. The  
fine/penalty amount is specified in Schedule-II.

(d) The fine or penalty mentioned in Schedule-II shall stand  
automatically increased by 5% after every 3 years with effect from  
1st January of the year.

(e) The fine shall be levied and collected on the spot by the  
designated officers. In case of non-payment of fine at the spot, the  
procedure for prosecution prescribed under provisions of the Environment  
(Protection) Act, 1986 shall follow.

No. 24-9] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 29  
oo

places. No vehicle shall be washed on roads, river banks, sidewalks, traffic island, playground, garden or other public parks, water bodies.

(d) Litter from goods vehicles : No person shall drive or move any truck or other goods vehicle unless such vehicle is so constructed and loaded as to prevent any load, contents or litter from being blown off or deposited upon any road, sidewalks, traffic island, playground, garden or other public place.

(e) Litter by owned/pet animals : It shall be the responsibility of the owner of any pet animal including dog, cat etc. to promptly scoop/clean up any litter created by such pet on the street or any public place and take adequate steps for the proper disposal of such waste preferably by their own sewage system.

(f) Disposal of waste in drain etc. : No person shall litter in any drain/river/open pond/water bodies.

(ii) Burning of waste : Disposal by burning of any type of solid waste at public places or at any private property is strictly prohibited.

(iii) "Clean Area" : Every person shall endeavour that any public place in front of or adjacent to any premises owned or occupied by him including the footpath and open drain/gutter and kerb is free of any waste, either in solid or liquid form.

(iv) For Public Gatherings and Events organised in public places for any reason (including for processions, exhibitions, circuses, fairs, political rallies, commercial, religious, socio-cultural events, protests and demonstrations, etc.) where the permission from the Police Department and/or from the Municipal Committee, Langate is required, it will be the responsibility of the organiser of the event or gathering to ensure the cleanliness of that area as well as all appurtenant areas.

32 The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. [No. 24-9  
in closed vehicles for which Municipal Committee, Langate may engage  
private parties on contract or Public Private Partnership mechanism with  
the prior approval of Govt., apart from its own cleaning staff and vehicles.  
In addition, Municipal Committee, Langate shall identify all the commercial  
areas for carrying out sweeping twice a day.

(ii) Municipal Committee, Langate or the authorised agency engaged  
by it shall provide and maintain sufficient number of community litter bins  
of sufficient size on public roads, in surroundings of railway stations, bus  
stops, religious places, in commercial areas etc.

(iii) Municipal Committee, Langate for the purpose of managing  
solid waste activities in decentralized and regular manner shall designate  
one officer in every ward to supervise the spots of containers, public  
toilets, community toilets or urinals in public places, transfer station for  
public garbage, landfill processing units etc.

(iv) The competent authority shall designate sufficient Senior Officer/s,  
preferably not below the rank of Additional Deputy Commissioner or  
equivalent, as Nodal Officer/s to monitor the progress of segregation,  
collection, transportation, processing and disposal of solid waste.

(v) Each ward shall be divided into sweeping beats based on the  
prescribed parameter and deploy manpower accordingly or rationalize the  
existing deployment and monitor their work by using latest technology.  
Wherever it is unable to get sweeping through its own staff, it may  
outsource through contract. Each beat shall be inspected by the supervising  
officials on daily basis prescribed as per directions.

(vi) Municipal Committee, Langate shall employ latest road/street  
cleaning machines, mechanical sweepers or other equipments which  
improves the efficiency of sweeping and drainage cleaning.

(vii) Municipal Committee, Langate shall create awareness and  
sensitization through Information, Education and Communication (IEC)  
campaign and educate the waste generators and other stakeholders about  
the various provisions of Solid Waste Management Rules and these bye-  
laws with special emphasis on user fee and fines/penalties.

No. 24-9] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 33  
oo

(viii) Municipal Committee, Langate shall encourage waste generators to treat wet waste at source. It may consider creating systems for incentives for adoption of decentralized technologies such as bio-methanation, composting etc. Incentives may be like awarding and recognizing the households. RWAs and institutions etc. by giving certificates by publishing their names on respective websites or rebate in property tax etc.

(ix) Municipal Committee, Langate shall ensure that the authorities of Agriculture Department, Floriculture Department, Horticulture, SKAUST are supplied with sufficient quantity of compost generated out of organic waste to phase out the use of chemical fertilizers and use compost in all parks, gardens maintained by them and wherever possible in other places under its jurisdiction. Incentives may be provided to recycling initiatives by informal waste recycling sector and shall take up with the Directorate of Horticulture, Agriculture and Floriculture for use of compost.

(x) Municipal Committee, Langate shall make efforts to streamline and formalize solid waste management systems and endeavour that the informal sector workers in waste management (waste pickers) are given priority to upgrade their work conditions and are enumerated and integrated into the formal system of solid waste management.

(xi) Municipal Committee, Langate shall ensure that the operator of a facility provides personal protection equipment including uniform, fluorescent jacket, hand gloves, raincoats, appropriate foot wear and masks to all workers handling solid waste and the same are used by the workforce.

(xii) Municipal Committee, Langate shall ensure occupational safety of its own staff and staff of outsourced agency involved in collection transport and handling of waste by providing appropriate and adequate personal protective equipments.

(xiii) In case of an accident at any solid waste processing or treatment or disposal facility or landfill site, the officer incharge of the facility shall report to Municipal Committee, Langate immediately which shall review and issue instructions, if any, to the incharge of the facility.

(xiv) Regular checks : The Commissioners, Joint Commissioners/Additional Deputy Commissioner or equivalent or any other officer authorised by the Commissioner shall conduct regular checks in various parts of the wards and other places of collection, transportation, processing and disposal of solid waste to supervise compliance of various provisions of SWM Rules and these bye-laws.

(xv) Municipal Committee, Langate shall develop a Public Grievance Redressal System (PGRS) by setting up of call centre at its headquarter. The PGRS may include SMS based service mobile application or web based services.

(xvi) Municipal Committee, Langate shall install bio-metric/smart card technologies/ICT System for tracking and recording attendance of employees associated with the working of SWM Rules and these bye-laws at Hq./all zones/ward offices etc. and shall make an endeavour to integrate such system with the salary/wages/remuneration.

(xvii) Transparency and Public Accessibility : To ensure greater transparency and public accessibility, Municipal Committee, Langate shall provide all necessary information through its website.

(xviii) Municipal Committee, Langate shall perform all other duties mentioned in SWM Rules, which have not been specifically mentioned in these bye-laws.

## CHAPTER-X

## Miscellaneous

15. If any doubt or difficulty arises in the interpretation or implementation of these bye-laws the same shall be placed before Administrative Secretary of Housing and Urban Development Department, whose decision in the matter shall be final.

16. *Co-ordination with Government Bodies.* Municipal Committee, Langate shall co-ordinate with other government agencies and authorities, to ensure compliance of these bye-laws within areas under the jurisdiction or control of such bodies. In case of any difficulty matter shall be placed before Chief Secretary of Government of J&K.

17. The Competent Authority may issue general or special orders from time to time for proper implementation of Solid Waste Management Rules, 2016 and these bye-laws.

(19) *Jurisdiction.* For filing cases against the Bye-Laws the jurisdiction is Jammu and Kashmir only.

SOLID WASTE MANAGEMENT BYE-LAWS, 2019.

## CHAPTER I

1. *Short title and commencement.* (1) These bye-laws shall be called the Municipal Committee, Handwara, Solid Waste Management Bye-Laws, 2019.

(2) They shall come into force on the date of their publication in the J&K Government Gazette.

2. *Extent of Application.* These bye-laws shall be applicable within the territorial limits of Municipal Committee, Handwara including domestic, institutional, commercial and any other residential Solid Waste Management, situated in Municipal Committee, Handwara and to the public who throw the Solid Waste into storm water drainage, underground sewerage system, water bodies through Directorate of Urban Local Bodies, Kashmir/Jammu.

3. *Definitions.* (1) In these bye-laws, unless the context otherwise requires,

- (1) “**Agency**” means Municipal Committee, Handwara ;
- (2) “**Aerobic composting**” means a controlled process involving microbial decomposition of organic matter in the presence of oxygen ;
- (3) “**Anaerobic digestion**” means a controlled process involving microbial decomposition of organic matter in the absence of oxygen ;
- (4) “**Authorization**” means the permission given by the State Pollution Control Board, to operator of a facility or Urban Local Authority, or any other agency responsible for processing and disposal of solid waste ;
- (5) “**Biodegradable waste**” means any organic material that can be degraded by micro-organism into simpler stable compounds ;

No. 24-10] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 3  
oo

- (6) **“Bio-methanation”** means a process which entails enzymatic decomposition of the organic matter by microbial action to produce methane rich biogas ;
- (7) **“Brand owner”** means a person or company who sells any commodity under a registered brand label ;
- (8) **“Bulk Gardens, Parks and Horticultural Waste”** means bulk waste from parks, gardens etc. including grass clippings, weeds, woody, brown carbon, rich material such as branches, twigs, wood chipping, straw, dead leaves, tree trimmings, etc. which cannot be accommodated in the daily collection system for bio-degradable waste ;
- (9) **“Bulk Waste Generator”** means bulk waste generator defined under Rule 3(1)(8) of the Solid Waste Management Rules, 2016 (hereinafter referred to as “SWM Rules”) and any other waste generator including buildings occupied by the Central Government Departments or undertakings, State Government Departments or undertaking, Local bodies, public sector undertakings or private companies, hospitals, nursing homes, schools, colleges, universities, other educational institutions, hostels, hotels, commercial establishments, markets, places of worship, stadia and sport complexes having an average waste generation rate exceeding 100 Kg. per day ;
- (10) **“Bye-Laws”** means regulatory framework notified by Municipal Committee, Handwara for facilitating the impementation of these rules effectively in their jurisdiction ;
- (11) **“C&D Waste (Construction and Demolition Waste)”** means Construction and Demolition Waste (Debris) that are non-hazardous in nature generated out of building materials, debris and rubble in thir jurisdiction ;
- (12) **“Clean Area”** means the public place in front of and all around or adjacent to any premises extending to the kerb side and including the drain, foot path and kerb cleaned and so maintained in accordance with these bye-laws ;

4 The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. [No. 24-10  
oo

- (13) **“Cleanliness Fee”** means an amount of fees collected by the managers/organizers for cleaning the site by the Agency ;
- (14) **“Collection”** means lifting and removal of solid waste from source of waste generation, collection points or any other location ;
- (15) **“Collection Counter”** means where the user charges shall be remitted which will be available at all Zonal Officers and headquarters ;
- (16) **“Combustible waste”** means non-biodegradable, non-recyclable, non-reusable, non-hazardous solid waste having minimum calorific value exceeding 1500 kcal/kg and excluding chlorinated materials like plastic, wood, pulp, etc. ;
- (17) **“Community waste storage bin”** means any storage facility setup and maintained by the Municipal Committee, Handwara and other Local Bodies in the State collectively by owners and or/occupiers of one or more premises for storage of Municipal Solid Waste in a segregated manner in the road side/premises of anyone of such owners/occupiers or in their common premises ;
- (18) **“Composting”** means a controlled process involving microbial decomposition of organic matter ;
- (19) **“Co-processing”** means use of non-biodegradable and non-recyclable solid waste having calorific value exceeding 1500k/cal as raw material or as a source of energy or both to replace or supplement the natural mineral resources and fossil fuels in industrial processes ;
- (20) **“Containerised Hand Cart”** means the hand cart provided by the Municipal Committee, Handwara, or the agency/ agent appointed by it for point-to-point collection of solid waste ;

No. 24-10] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 5  
oo

- (21) **“Decentralized processing”** means establishment of dispersed facilities for maximizing the processing of biodegradable waste and recovery of recyclables closest to the source of generation so as to minimize transportation of waste for processing or disposal ;
- (22) **“Delivery”** means handing over any category of solid waste to worker of Municipal Committee, Handwara or any other person appointed, authorised or licensed by Municipal Committee, Handwara for taking delivery of such waste or depositing it in any vehicle provided by Municipal Committee, Handwara, to do so ;
- (23) **“Disposal”** means the final and safe disposal of post processed residual solid waste and inert street sweepings and silt from surface drains on land to prevent contamination of ground water, surface water, ambient air and attraction of animals or birds ;
- (24) **“Domestic hazardous waste”** means discarded paint drums, pesticide cans, CFL bulbs, tube lights, expired medicines, broken mercury thermometers, used batteries, used needles and syringes and contaminated gauge, etc., generated at the household level ;
- (25) **“Door to door collection”** means collection of solid waste from the door step of households, shops, commercial establishments, offices, institutional or any other non-residential premises and includes collection of such waste from entry gate or a designated location on the ground floor in a housing society, multistoried building or apartments, large residential, commercial or institutional complex or premises ;
- (26) **“Dry waste”** means waste other than biodegradable waste and inert street sweepings and includes recyclable and non-recyclable waste, combustible waste and sanitary napkin and diapers, etc. ;

No. 24-10] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 7  
oo

- (36) **“Hazardous waste”** means any waste which by reason of any of its physical, chemical, whether alone or danger or is likely to cause danger to health or environment. Whether alone or when in contact with other wastes or substances and all other hazardous wastes as defined in the Hazardous Wastes (Management and Handling) Rules, 1989 as amended to date and the Hazardous and Other Waste (Management and Transboundary Movement) Rules, 2016 ;
- (37) **“Horticulture, Parks and Garden Waste”** means waste from parks, gardens traffic island etc. These include grass clipping, annual weeds woody, brown, carbon rich material such as branches, twigs, wood chipping, straw, dead leaves, tree trimmings, etc. which cannot be accommodated in the daily collection system for biodegradable waste ;
- (38) **“House-gully”** means a passage or strip of land, constructed, set apart or utilized for the purpose of serving as or carrying a drain or affording access to the latrine, urinal, cesspool or other for filling of other polluted matter by persons employed in the clearing thereof or in the removal of such matter therefrom.
- (39) **“Incineration”** means an engineered process involving burning or combustion of solid waste degraded waste materials at high temperatures ;
- (40) **“Inerts”** means which are not biodegradable, recyclable or combustible street sweeping or dust and silt removed from the surface drains ;
- (41) **“Informal waste collector”** includes individuals, associations or waste traders who are involved in sorting, sale and purchase of recyclable materials ;
- (42) **“Leachate”** means the liquid that seeps through solid waste or other medium and has extracts of dissolved or suspended material from it ;

8 The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. [No. 24-10  
oo

- (43) **“Litter”** means all refuse and includes any other waste material which, if thrown or deposited as prohibited under these Bye-Laws, tends to create uncleanliness or a danger or nuisance to public health, safety or welfare ;
- (44) **“Littering”** means putting litter in such a location that it falls, descends, blows, is washed, percolates or otherwise escape into or onto any public place or causing, permitting or allowing litter to fall, descend, blow, washed, percolate or otherwise escape into or onto any public place ;
- (45) **“Local body”** for the purpose of these bye-laws means Municipal Committee, Handwara ;
- (46) **“Materials Recovery Facility”** (MRF) means a facility where non-compostable solid waste can be temporarily stored by the local body or any other entity or any person or agency authorised by any of them to facilitate segregation, sorting and recovery of recyclables from various components of waste by authorised informal sector of waste pickers, informal recyclers or any other work force engaged by the local body or entity for the purpose before the waste is delivered or taken up for its processing or disposal ;
- (47) **“Neighbourhood”** means a clearly defined locality, with reference to its physical layout, character or inhabitants ;
- (48) **“New construction”** means all buildings under construction within the limits of the Municipal Committee, Handwara in the district ;
- (49) **“Non-biodegradable waste”** means any waste that cannot be degraded by microorganisms into simpler stable compounds ;
- (50) **“Nuisance”** includes any act, omission, place or thing which comes or is likely to cause injury, danger, annoyance or offence to the sense of sight, smelling or hearing or which is or may be dangerous to their life or injurious to health or property ;

No. 24-10] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 9  
oo

- (51) **“Nuisance Detectors”** (Nos) means those employees of the Municipal Committee, Handwara of the district who are appointed to detect the acts of public nuisance, etc. ;
- (52) **“Occupier/occupant”** includes any person who for the time being is in occupation of, or otherwise using, any land or building or part thereof, for any purpose whatsoever ;
- (53) **“Operator of a facility”** means a person or entity, who owns or operates a facility for handling solid waste which includes the Local Body and any other entity or agency appointed by the Municipal Committee, Handwara ;
- (54) **“Owner”** means any person who exercises the rights of an owner of any building, or land or part thereof ;
- (55) **“Pelletisation”** means a process whereby pellets are prepared which are small cubes or cylindrical pieces made out of solid waste and includes, fuel pellets which are also referred as refuse derived fuel ;
- (56) **“Primary collection”** means collecting, lifting and removal of segregated solid waste from source of its generation including households, shops, offices and any other non-residential premises or from any collection points or any other location specified by the Municipal Committee, Handwara.
- (57) **“Processing”** means any scientific process by which segregated solid waste is handled for the purpose of reuse, recycling or transformation into new products ;
- (58) **“Public place”** includes any road, arch road, lane, footway, alley or passage, highway, causeway, bridge, square alley or passage whether a thoroughfare or not over which the public have a right of passage, and such place to which the public has access such as parks, gardens, recreation grounds, playgrounds, beaches, water bodies, water courses, public plazas and promenades, government and municipal buildings, public hospitals, markets, slaughter houses, courts, etc. ;

10 The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. [No. 24-10  
oo

- (59) **“Prescribed”** means prescribed by SWM Rules and/or these bye-laws ;
- (60) **“Receptacle”** means any storage container, including bins and bags, used for the storage of any category of MSW ;
- (61) **“Recycling”** means the process of transforming segregated non-biodegradable solid waste into new material or product or as raw material for producing new products which may or may not be similar to the original products ;
- (62) **“Recyclable Waste”** means the waste that is commonly found in the MSW. It is also called as "Dry Waste". These include many kinds of glass, paper, metal, plastic, textiles, electronics goods, etc. ;
- (63) **“Redevelopment”** means rebuilding of old residential or commercial buildings at the same site, where the existing buildings and other infrastructures have become dilapidated ;
- (64) **“Refuse”** means any waste matter generated out of different activities, processes, either Biodegradable/Non-biodegradable/recyclable in nature in either solid or semi-solid form which cannot be consumed, used or processed by the generator in its existing form ;
- (65) **“Refuse Derived Fuel” (RDF)** means fuel derived from combustible waste fractions of solid waste like plastic, wood, pulp or organic waste, other than chlorinated materials, in the form of pellets or fluff produced by drying, shredding, dehydration and compacting of solid waste ;
- (66) **“Residual solid waste”** means and includes the waste and rejects from the solid waste processing facilities which are not suitable for recycling or further processing ;
- (67) **“Rule”** means Solid Waste Management Rules, 2016 ;

No. 24-10] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 11  
oo

- (68) **“Sanitation”** means the promotion of hygiene and the prevention of disease and other consequences of ill health relating to environmental factors ;
- (69) **“Sanitary Landfill Facility”** means a waste disposal site for the deposit of residual solid waste in a facility designed with protective measures against pollution of ground water, surface water and air fugitive dust, wind-blown litter, bad odour, fire hazard, bird menace, pests or rodents, greenhouse gas emissions, slope instability and erosion ;
- (70) **“Sanitary land filling”** means the final and safe disposal of residual solid waste and inert wastes on land in a facility designed with protective measures against pollution of ground water, surface water and fugitive air dust, wind-blown litter, bad odour, fire hazard, animal menace, pests or rodents, greenhouse gas emissions, persistent organic pollutants slope instability and erosion ;
- (71) **“Sanitary waste”** means wastes comprising of used diapers, sanitary toilets or napkins, tampons, condoms, incontinence sheets and any other similar waste ;
- (72) **“Sanitary worker”** means a person employed by the Municipal Committee, Handwara for collecting or removing MSW or cleaning the drains in the Municipal Committee, Handwara areas ;
- (73) **“Schedule”** means the Schedule appended to these rules ;
- (74) **“Storage”** means the temporary containment of solid waste in a manner so as to prevent littering, attraction to vectors, stray animals and excessive foul odour ;
- (75) **“Secondary storage”** means the temporary containment of solid waste after collection of secondary waste storage depots or MRFs or bins for onward transportation of the waste to the processing or disposal facility ;

12 The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. [No. 24-10  
oo

(76) **“Segregation”** means sorting and separate storage of various components of solid waste namely biodegradable waste including agriculture and dairy waste, non-biodegradable waste including recyclable waste, non-recyclable combustible waste, sanitary waste and non-recyclable inert waste, domestic hazardous wastes, and construction and demolition wastes ;

(77) **“Service provider”** means an authority providing public utility services like water, sewerage, electricity, telephone, roads, drainage, etc. ;

(78) **“Solid waste”** means and includes solid or semi-solid domestic waste, sanitary and commercial waste, institutional waste and other non-residential wastes, street sweepings, silt removed or collected from the surface drains, horticulture waste, agriculture and dairy waste, treated bio-medical waste, and e-Waste, battery waste, radioactive waste generated in the area under the local authorities and other entities ;

(79) **“Sorting”** means separating various components and categories of recyclables such as paper, plastic, cardboards, metals, glass, etc., from mixed waste as may be appropriate to facilitate recycling ;

(80) **“Source”** means the premises in which the waste is generated or a community storage centre used by owners/occupiers of one or more premises for segregated storage of MSW ;

(81) **“Spittoon”** means a metal or earthenware pot typically having a funnel shaped top, used for spitting into.

(82) **“Stabilising”** means the biological decomposition or biodegradable wastes to a stable state where it generates no leachate or offensive odours and is fit for application to farm land, soil erosion control and soil remediation ;

(83) **“Stabilised biodegradable waste”** means the biologically stabilized (free of pathogens) waste resulting from the

oo

mechanical/biological treatment of biodegradable waste, only when stabilised can such waste be used with no further restrictions ;

- (84) **“Street vendor”** means any person engaged in vending of articles, goods, wares, food items or merchandise of everyday use or offering services to the general public, in a street, lane, side walk, footpath, pavement, public park or any other places or private area, from a temporary built up structure or by moving from place to place and includes hawker, peddler, squatter and other synonymous terms which may be local or region specific and the words ÷street vending÷ with their grammatical variations and cognate expressions, shall be construed accordingly ;
- (85) **“Tipping fee”** means a fee or support price determined by the local authorities or any state agency authorised by the State Government to be paid to the concessionaire or operator of waste processing facility or for disposal of residual solid waste at the landfill ;
- (86) **“Transportation”** means conveyance of solid waste, either treated, partly treated or untreated from a location to another location in an environmentally sound manner through specially designed and covered transport system so as to prevent the foul odour, littering and unsightly conditions ;
- (87) **“Transfer station”** means a facility created to receive solid waste from collection areas and transport in bulk in covered vehicles or containers to waste processing and, or, disposal facilities ;
- (88) **“Treatment”** means the method, technique or process designed to modify physical, chemical or biological characteristics or composition of any waste so as to reduce its volume and potential to cause harm ;
- (89) **“User fee/charges”** means fees or charges imposed by Municipal Committee, Handwara through general or special order of the Competent Authority from time-to-time, on the

[illegible]

waste generator to cover full or part cost of providing solid waste collection, transportation, processing and disposal services ;

- (90) **“Vacant Plot”** means any land or open space belonging to a private party/person that is not occupied by them/him ;
- (91) **“Vermi composting”** means the process of conversion of biodegradable waste into compost using earth worms ;
- (92) **“Waste hierarchy”** means the priority order in which the solid waste is to be managed by giving emphasis to prevention, reduction reuse, recycling, recovery and disposal, with prevention being the most preferred option and the disposal at the landfill being the least ;
- (93) **“Waste generator”** means and includes every person or group of persons, every residential premises and non-residential establishments including Indian Railways, defence establishments, which generate solid waste or other institutions i. e. hotels, restaurants, malls, private/government business/ industrial establishments falling within the limits of Municipal Committee, Handwara ;
- (94) **“Waste picker”** means a person or groups of persons informally engaged in collection and recovery of reusable and recyclable solid waste from the source of waste generation, streets, bins, material recovery facilities, processing and waste disposal facilities for sale to recyclers directly or through intermediaries to earn their livelihood.

## CHAPTER II

## Segregation and Primary Storage of Solid Waste

#### 4. Segregation and storage of solid waste at source.

- (i) It shall be necessary for all waste generators to separate and store

No. 24-10] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 15  
 the solid waste coming out of their own places regularly into three  
 streams namely :ô

- (a) non-biodegradable or wet waste ;
- (b) biodegradable or wet waste ;
- (c) domestic hazardous waste and deposit it into covered waste bins, and handover segregated waste to designated waste collectors as per the direction of Municipal Committee, Handwara from time to time.

(ii) Every bulk waste generator is to separate and store the solid waste coming out of their own places into three streams namely :ô

- (a) non-biodegradable or dry waste ;
- (b) biodegradable or wet waste ;
- (c) hazardous waste in suitable bins ; and handover segregated waste to authorised waste processing or disposal facilities or deposition centres through the authorised waste collection agency with paying the carrying charges specified by Municipal Committee, Handwara from time to time.

(iii) The colour of bins for storage of segregated waste shall be green- for biodegradable waste or wet waste blue - for non- biodegradable or dry waste and black- for domestic hazardous waste.

(iv) All resident welfare and market associations shall ensure segregation of waste at source by the generators, facilitate collection of segregated waste in separate streams, handover recyclable material to either the authorised waste pickers or the authorised recyclers. The biodegradable waste shall be processed, treated and disposed of through composting or bio-methanation within the premises as far as possible. The residual waste shall be given to the waste collectors or agency as directed by Municipal Committee, Handwara.

(v) All gated communities and institutions with more than 5,000 sq. m. area shall ensure segregation of waste at source by the generators, facilitate collection of segregated waste in separate streams, handover

16 The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. [No. 24-10  
recyclable material to either the authorised waste pickers or the authorised  
recyclers. The biodegradable waste shall be processed, treated and  
disposed off through composting or bio-methanation within the premises  
as far as possible. The residual waste shall be given to the waste collectors  
or agency as directed by Municipal Committee, Handwara.

(vi) All hotels and restaurants shall ensure segregation of waste at  
source, facilitate collection of segregated waste in separate streams,  
handover recyclable material to either the authorised waste pickers or  
the authorised recyclers. The biodegradable waste shall be processed,  
treated and disposed of through composting or bio-methanation within the  
premises as far as possible. The residual waste shall be given to the  
waste collectors or agency as directed by Municipal Committee,  
Handwara.

(vii) No person shall organize an event or gathering of more than  
one hundred persons at any unlicensed place without intimating Municipal  
Committee, Handwara along with payment of user fee as prescribed in  
the schedule, at least three working days in advance and the person or  
the organizer of such event shall ensure segregation of waste at source  
and handing over of segregated waste to waste collector or agency as  
specified by Municipal Committee, Handwara.

(viii) Used sanitary waste are to be securely wrapped as and  
when generated in the pouches provided by the manufacturers or brand  
owners of these products or in a newspaper or in suitable biodegradable  
wrapping materials and place the same in the bin meant for non-  
biodegradable waste or dry waste.

(ix) Every street vendor shall keep suitable containers for storage  
of segregate waste generated during the course of his activity such as  
food waste, disposable plates, cups, cans, wrappers, coconut shells, leftover  
food, vegetables, fruits, etc., and shall deposit such waste at waste storage  
depot or container or vehicle as notified by Municipal Committee,  
Handwara.

(x) Waste generator of garden and horticulture waste generated  
from his premises shall store such waste separately in his own premises  
and dispose of the same as per the directions of Municipal Committee,  
Handwara from time to time.

(xi) Domestic Hazardous Waste shall be stored and delivered by every waste generator to the collection vehicle which shall be provided weekly/periodically by Municipal Committee, Handwara or any other Agency authorised by it for collection of such waste, or to a centre designed for collection of such waste for disposal in a manner that is mandated by the Government of Jammu and Kashmir or State Pollution Control Board.

(xii) Construction and Demolition Waste shall be stored and delivered separately as per the Construction and Demolition Waste Management Rules, 2016.

(xiii) No untreated bio-medical waste, e-Waste, hazardous chemicals and industrial waste shall be mixed with solid waste. Such waste shall be disposed off in accordance with the respective rules framed under the Environment (Protection) Act, 1986.

(xiv) Every owner/occupier of any premises other than designated slaughter houses and markets, who generates poultry, fish and slaughter waste as a result of any commercial activity, shall store the same separately in closed, hygienic condition and deliver it at a specified time, on a daily basis to the Municipal Committee, Handwara, collection vehicle provided for this purpose. Depositing of such waste in any community waste bin is strictly prohibited.

(xv) Segregated biodegradable solid waste if not composted by the generators, shall be stored by them within their premises and its delivery shall be ensured to the municipal worker/vehicle/waste picker/waste collector or to the biodegradable waste collection vehicle provided for specified commercial generators of bulk biodegradable waste at such times as may be notified from time to time.

## CHAPTER III

## Solid Waste Collection

5. *Collection of Solid Waste.* (i) In compliance with SWM Rules, 2016, door to door collection of segregated solid waste shall be implemented in all areas or Wards of Municipal Committee, Handwara (Through Municipal Committee, Handwara), to collect garbage from every house, including slums and informal settlements on a daily basis by integrating

18 The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. [No. 24-10  
the informal door to door collection system with Municipal Committee,  
Handwara collection system.

(ii) In order to collect garbage from every house, area-wise specific time slot shall be set and published at conspicuous parts of that area and on the website of Municipal Committee, Handwara commonly time for house to house garbage collection shall be set from 5.30 A. M. to 10.30 A. M. for summer and for winter 7.00 A. M. to 11.00 A. M. For collection of garbage from trading establishments, shops in commercial areas or any other institutional waste generators, commonly the time shall be from 7.30 A. M. to 11.00 A. M. However, sweeping can be undertaken twice daily, if required at public and commercial places. The timing for collection of garbage from the trading establishments, shops in commercial areas or any other institutional waste generators shall be decided by the Municipal Committee, Handwara.

(iii) Arrangements shall be made for collection of residual solid waste from bulk waste generators, which are processing waste *in-situ*.

(iv) Residual solid waste from vegetable, fruit, flower, meat, poultry and fish market shall be collected on day to day basis.

(v) Horticulture and garden waste shall be separately collected and disposed off. One or two days in a week shall be specified for this purpose.

(vi) To make optimum use of biodegradable waste from fruits and vegetable markets, meat and fish markets, bulk horticulture and garden waste and to minimize the cost of collection and transportation, such waste shall be processed or treated within the area where waste is generated.

(vii) Manual handling of waste in the containers shall be prohibited. If unavoidable due to constraints, manual handling shall be carried out under proper protection with due care for safety of workers.

(viii) Waste generators shall be responsible to deposit their segregated waste in the Auto-Tipper/Rickshaws etc. deployed by Municipal Committee, Handwara. Segregated waste from multistoried buildings, apartments, housing complexes may be collected from the entry gate or any other designated location.

No. 24-10] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 19  
oo

(ix) Changing needs and advances in technology shall be taken into consideration for selection of collection equipment and vehicles. Auto-Tippers or vehicles of specific capacity with hydraulically operated hopper covering mechanism from top having two compartments for carrying biodegradable and non-biodegradable waste separately with a hooter shall be deployed for collection of waste.

(x) Automatic voice recorded device, bell or horn having sound not more than the permissible noise level shall be installed on every garbage collection vehicle used by waste collectors.

(xi) Route plans for each primary collection and transportation vehicle shall be provided by Municipal Committee, Handwara or by the notified authorised waste collector. These plans in tabular as well as GIS map form, duly approved by Municipal Committee, Handwara shall mention starting point, start time, waiting time on route, end point and end time of the specified route. Municipal Committee, Handwara or the notified authorised waste collection and transportation shall provide a Board at each street to display time table of primary collection and transportation vehicles to allow residents avail the facility at prescribed time. Such information shall also be uploaded on the website of Municipal Committee, Handwara and published in the local leading newspaper periodically for the information of General Public.

(xii) In narrow streets that cannot be serviced by auto-tipper or the vehicle, a 3-Wheeler or smaller motorized vehicle with hydraulically operated hopper covering mechanism from top having two compartments for carrying wet and dry waste separately with a hooter, compatible with mobile transfer station shall be deployed.

(xiii) In congested and narrower streets that cannot even be serviced by 3-Wheeler or smaller vehicle, cycle rickshaws or any other type of suitable equipment shall be deployed.

(xiv) Smaller, narrow and congested streets/lanes where even a 3-wheeler/rickshaw etc. cannot operate, vantage points shall be designated at the start of the locality/street where the collection vehicle shall be parked and the helper/driver of vehicle shall carry a whistle and walk in the locality to announce arrival of vehicle for collecting solid waste. Time table for such collection system shall be displayed at the notice board and uploaded on the website of Municipal Committee, Handwara.

(xv) Auto-tippers, 3-wheelers, rickshaws and other type of collection vehicles engaged in this service shall collect waste only from households and not from any other source viz. dhalaos, open sites, ground, bins and drains etc.

(x) Municipal Committee, Handwara or its notified authorised waste collectors shall be responsible to cover all the streets/lanes of each zone for the primary collection.

## CHAPTER IV

## Secondary Storage of Solid Waste

6. *Storage of solid waste in the secondary storage points.* (i) Segregated solid waste collected from door-steps shall be taken to waste storage depots, community storage bins or fixed or mobile transfer stations or the locations specified by Municipal Committee, Handwara for secondary storage of waste.

(ii) Such secondary storage points shall have covered containers (of specified colour) for separate storage of,

- (a) non-biodegradable or dry waste ;
- (b) biodegradable or wet waste ;
- (c) domestic hazardous waste ;

(iii) Different containers shall be used in the areas demarcated by Municipal Committee, Handwara to keep segregated waste in the following manner :ô

- (a) green-for biodegradable waste ;
- (b) blue-for non-biodegradable waste ;
- (c) black-for domestic hazardous waste ;

Municipal Committee, Handwara shall separately notify, from time to time, mandatory colour coding and other specifications of receptacles prescribed for storage and

delivery of different types of solid waste to enable safe and easy collection without any mixing or spillage of waste, which generators of different types of solid waste shall have to adhere to.

(v) Containers of various sizes in the secondary storage depots shall be provided by Municipal Committee, Handwara or any assigned agencies in different colours as mentioned in these bye-laws.

(vii) Storage facilities shall be user friendly and shall be so designed that it ensures compaction of waste and that the waste stored is not exposed to open atmosphere.

(ix) Municipal Committee, Handwara or its specified agency shall carry out washing and disinfection of all the bins on a weekly basis.

(a) Municipal Committee, Handwara shall convert its existing Dhalaos or identify specific location as per requirement, as Recycling Centers which shall be used for segregation of dry waste received through street/door to door waste collection service. Recycling centers may be increased depending on the quantity of dry waste received.

No. 24-10] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 23  
compactors and mobile transfer stations depending upon choice of  
technology by Municipal Committee, Handwara.

(ii) The storage facilities set up by Municipal Committee, Handwara shall be attended daily for clearing waste. The areas around the place where the bins or containers are kept shall also be cleaned.

(iii) Collected segregated biodegradable waste from residential and other areas shall be transferred to the processing plants like compost plants, bio-methanation plants or any such other facilities in a covered manner.

(iv) Wherever applicable, for biodegradable waste, preference shall be given for on-site processing of such waste.

(v) Collected non-biodegradable waste shall be transported to the respective processing facilities or secondary storage facilities.

(vi) Construction and Demolition Waste shall be transported as per the provisions of the Construction and Demolition Waste Management Rules, 2016.

(vii) Municipal Committee, Handwara shall make arrangements for transportation of inerts in a proper manner. The street sweeping waste and removable drain silt shall be removed immediately after the work is over.

(viii) Transportation vehicles shall be so designed that multiple handling of waste, prior to final disposal, is avoided.

(ix) The collection vehicles engaged for the purpose shall deposit/transfer waste only at the MTS (Mobile Transfer Station) or FCTS (Fixed Compactor Transfer Stations) wherever provided.

(x) In case MTS/FCTS is not stationed at the designated location at that point of time for any reason, then the loaded vehicle shall go to the next designated location of the MTS or FCTS or the site specified by Municipal Committee, Handwara to unload the waste.

(xi) Fixed compactor transfer station shall be transported through hook loader.

(xii) MTS or FCTS shall transport the waste directly to compost plant, waste to energy plant or any other site/plant designated by Municipal Committee, Handwara.

(xiii) There should be no inter-mixing of waste from various sources during the transportation of waste.

(xiv) The services of street level collection and transportation of waste shall be provided every day including holidays.

(xv) MTS engaged in this service shall receive waste only from designated auto-tippers, 3-wheelers or vehicle/bins collecting waste from street level operations.

(xvi) Dedicated MTS shall be deployed at specified locations to receive waste from the Auto-Tippers, 3-Wheelers, Rickshaws etc. engaged in street level and door-to-door collection of solid waste from households and commercial establishments as per the approved route plans.

(xvii) Design of MTS and FCTS shall allow unloading of waste from primary collection vehicles by consuming minimum time and without littering waste.

(xviii) Garbage spilled near MTS and FCTS, while transferring the solid waste, should be cleaned so that no spillage is left. Disinfectant should be used after cleaning process at that location.

(xix) Municipal Committee, Handwara or its specified agency shall install CCTV cameras at all secondary storage facilities.

## CHAPTER VI

## Processing of Solid Waste

8. *Processing of solid waste.* (i) Municipal Committee, Handwara shall facilitate construction, operation and maintenance of solid waste processing facilities and associated infrastructure on their own or through any agency for optimum utilisation of various components of solid waste adopting suitable technology including the following technologies and adhering to the guidelines issued by the Ministry of

No. 24-10] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 25  
Urban Development from time to time and standards prescribed by the  
Central Pollution Control Board :ô

- (a) to minimise transportation cost and environmental impacts, preference shall be given to decentralised processing such as bio-methanation, microbial composting, vermi composting, anaerobic digestion or any other appropriate processing for bio-stabilisation of biodegradable waste ;
- (b) through medium/large composting bio-methanation plants at centralised location ;
- (c) through waste to energy processes by refuse derived fuel for combustible fraction of waste or supply as feed stock to solid waste based power plants ; and/or
- (d) through construction and demolition waste management plants.

(ii) Municipal Committee, Handwara shall endeavour to create a market for consumption of RDF (Refuse Derived Fuel). The cement factories are liable to take RDF from municipal dumping sites who have to use RDF to the order of 5% of the total fuel burnt by them in their kilns.

(iii) In waste to energy plant by direct incineration, absolute segregation shall be mandatory and be part of the terms and conditions of the relevant contracts.

(iv) Municipal Committee, Handwara shall ensure that recyclables such as paper, plastic, metal, glass, textile etc. go to authorised recyclers.

9. *Other guidelines for processing of solid waste.*ô (i) Municipal Committee, Handwara shall enforce processing of biodegradable waste on site of generation of such waste through composting or bio-methanation, as far as possible, at RWAs (Resident Welfare Associations), group housing societies, markets, gated communities and institutions with more than 5000 sq. m. areas, all hotels and restaurants, banquet halls and places of such nature. Preference shall be given for on site processing of biodegradable waste generated by other waste generators as well.

(ii) Bulk generators who fail to install waste processing units within their premises shall be liable for fine to install such processing units with time line envisaged in the notices. If they perpetually fail to establish waste disposal system within six months after first notice issued to them, the ULBs are empowered to seal such erring bulk waste generating business establishments.

(iii) Municipal Committee, Handwara shall enforce that markets dealing with vegetables, fruits, flowers, meat poultry and fish waste while processing biodegradable waste ensure hygienic conditions.

(iv) Municipal Committee, Handwara shall involve communities in waste management and promote home composting, bio-gas generation, decentralized processing of waste at community level, subject to control of odour and maintenance of hygienic conditions around the facility.

(v) The waste generator has to pay use charge/sanitation fee to the local bodies in spite of the fact if they process their waste at their institutional level.

## Disposal of Solid Waste

10. *Disposal of Solid waste.* Municipal Committee, Handwara shall undertake on its own or through any other agency, the construction, operation and maintenance of sanitary landfill and associated infrastructure for disposal of residual waste and inert street sweepings and silt from surface drains in a manner prescribed under SWM Rules and any other obligation imposed by any other law for the time being in force.

### **User Fee and Levying of Spot Fine/Penalty**

11. *User fee for collection, transportation, disposal of solid waste.* (a) User fee shall be fixed for providing services for garbage collection, transportation and disposal from waste generators Municipal Committee, Handwara. The rates of user fee are specified in Schedule-I.

(b) The user fee so fixed shall be collected from waste generators by Municipal Committee, Handwara.

(c) Municipal Committee, Handwara shall prepare the database of all the waste generators for the purpose of levying user fee, and evolve appropriate mechanism for billing/collection/recovery of user charges, within three months from the date of notification of these bye-laws. The database shall be updated regularly.

(d) Municipal Committee, Handwara shall adopt different methods for collection of user fee including online payment.

(e) Special days in a month, preferably in first week of each month, shall be fixed for collection of user fee.

(f) There shall also be a system of yearly or half yearly payment. If the user fee is paid in advance for the entire year, then amount for ten months will be charged instead of twelve months. Similarly, for six months advance payment, five and half months demand amount will be charged instead of six months.

(g) The user fee mentioned in Schedule-I shall stand automatically increased by 5% after every 3 years with effect from 1st January of the year.

(h) The user fee shall be collected only by the institution/person authorised by the competent authority by a general or special order in this behalf.

(i) In case of default of payment of user fee/fine, the competent authority may recover the same from the defaulter as an arrear of land revenue as per the provision of Land Revenue Act, 1996. However, Municipal Committee, Handwara shall be allowed to effect the recovery under the provisions of Jammu and Kashmir Municipal Act, 2000.

12. *Fine/Penalty for contravention of SWM Rules.*

(a) Whosoever contravenes or fails to comply with any of the provisions of SWM Rules or these bye-laws shall be imposed with fine as mentioned in Schedule-II appended to these bye-laws.

(b) In case of repeated contravention or non-compliance as mentioned in clause (a) above, fine amount for every such default shall be levied per day or month, as the case may be.

(c) The Commissioner/Executive Officer shall designate officers for levying fine or penalty by a general or special order in this behalf. The fine/penalty amount is specified in Schedule-II.

(e) The fine shall be levied and collected on the spot by the designated officers. In case of non-payment of fine at the spot, the procedure for prosecution prescribed under provisions of the Environment (Protection) Act, 1986 shall follow.

(g) Fine shall be imposed on the hospitals and allied concerns if they are found mixing bio-medical wastes with municipal solid waste.

(i) Concession to bulk purchasers of compost/plastic/tin and recyclables on the price of by product, if any, as a result of processing of Solid Waste shall be decided by the concerned Local Bodies.

(k) Tippers ferrying building material and causing avoidable waste on the streets shall be liable for fine to be decided by the Local Body but not less than Rupees Five Hundred (500/-) per default.

(a) Littering in any public place : No person shall litter in any public place except in authorised public or private litter

receptacles. No person shall repair vehicles, wash/clean

utensils or any other object or keep any type of storage in any public place except in such public facilities or conveniences specially provided for any of these purposes.

- (b) Littering on any property : No person shall litter on any open or vacant property except in authorised private or public receptacles.
- (c) Litter throwing from vehicles : No person, whether a driver or passenger in a vehicle, shall litter upon any street, road, sidewalk, playground, garden, traffic island or other public places. No vehicle shall be washed on roads, river banks, sidewalks, traffic island, playground, garden or other public parks, water bodies.
- (d) Litter from goods vehicles : No person shall drive or move any truck or other goods vehicle unless such vehicle is so constructed and loaded as to prevent any load, contents or litter from being blown off or deposited upon any road, sidewalks, traffic island, playground, garden or other public place.
- (e) Litter by owned/pet animals : It shall be the responsibility of the owner of any pet animal including dog, cat etc. to promptly scoop/clean up any litter created by such pet on the street or any public place and take adequate steps for the proper disposal of such waste preferably by their own sewage system.
- (f) Disposal of waste in drain etc. : No person shall litter in any drain/river/open pond/water bodies.

(ii) Burning of waste : Disposal by burning of any type of solid waste at public places or at any private property is strictly prohibited.

(iii) **öClean Areaö** : Every person shall endeavour that any public place in front of or adjacent to any premises owned or occupied by him including the footpath and open drain/gutter and kerb is free of any waste, either in solid or liquid form.

(iv) For Public Gatherings and Events organised in public places for any reason (including for processions, exhibitions, circuses, fairs, political rallies, commercial, religious, socio-cultural events, protests and demonstrations, etc.) where the permission from the Police Department and/or from the Municipal Committee, Handwara is required, it will be the responsibility of the organiser of the event or gathering to ensure the cleanliness of that area as well as all appurtenant areas.

(vi) Dumping of solid waste on vacant plot and depositing construction and demolition waste at non-designated locations shall be dealt with by the Municipal Committee, Handwara in the following manner :ô

- (i) Enter on the premises and clear the waste ; and

(xiii) In case of an accident at any solid waste processing or treatment or disposal facility or landfill site, the officer incharge of the facility shall report to Municipal Committee, Handwara immediately which shall review and issue instructions, if any, to the incharge of the facility.

(xv) Municipal Committee, Handwara shall develop a Public Grievance Redressal System (PGRS) by setting up of call centre at its headquarter. The PGRS may include SMS based service mobile application or web based services.

(xvii) **Transparency and Public Accessibility :** To ensure greater transparency and public accessibility, Municipal Committee, Handwara shall provide all necessary information through its website.

## CHAPTER-X

15. If any doubt or difficulty arises in the interpretation or implementation of these bye-laws the same shall be placed before Administrative Secretary of Housing and Urban Development Department, whose decision in the matter shall be final.

16. *Co-ordination with Government Bodies.*ô Municipal Committee, Handwara shall co-ordinate with other government agencies

No. 24-10] The J&K Govt. Gazette, 17th Sept., 2019/26th Bhad., 1941. 35  
and authorities, to ensure compliance of these bye-laws within areas  
under the jurisdiction or control of such bodies. In case of any difficulty  
matter shall be placed before Chief Secretary of Government of J&K.

17. The Competent Authority may issue general or special orders  
from time to time for proper implementation of Solid Waste Management  
Rules, 2016 and these bye-laws.

(18) *Right to Appeal.* Any person aggrieved or affected by  
Municipal Committee, Handwara Solid Waste Management Bye-Laws,  
2019 shall have the right to appeal before Director, Urban Local Bodies,  
Kashmir within 30 days and in case he is not satisfied with the disposal  
of Director, Urban Local Bodies, Kashmir the second appellate authority  
shall be Administrative Secretary of Housing and Urban Development  
Department, Kashmir whose decision shall be final and binding.

(19) *Jurisdiction.* For filing cases against the Bye-Laws the  
jurisdiction is Jammu and Kashmir only.

## CHAPTER I

1. *Short title and commencement.* (1) These bye-laws shall be called the [Municipal Committee, Tangmarg/Gulmarg] Solid Waste Management Bye-Laws, 2019.

(2) They shall come into force on the date of their publication in the J&K Government Gazette.

2. *Extent of Application.* These bye-laws shall be applicable within the territorial limits of [Municipal Committee, Tangmarg/Gulmarg].

3. *Definitions.* (1) In these bye-laws, unless the context otherwise requires,

- (1) **“Agency”** means [Municipal Committee, Tangmarg/Gulmarg] ;
- (2) **“Aerobic composting”** means a controlled process involving microbial decomposition of organic matter in the presence of oxygen ;
- (3) **“Anaerobic digestion”** means a controlled process involving microbial decomposition of organic matter in the absence of oxygen ;
- (4) **“Authorization”** means the permission given by the State Pollution Control Board, to the operator of a facility or Urban Local authority, or any other agency responsible for processing and disposal of Solid waste ;
- (5) **“Biodegradable waste”** means any organic material that can be degraded by micro-organism into simpler stable compounds ;
- (6) **“Bio-methanation”** means a process which entails enzymatic decomposition of the organic matter by microbial action to produce methane rich biogas ;
- (7) **“Brand owner”** means a person or company who sells any commodity under a registered brand label ;

- (8) **“Bulk Garden and Parks & Horticultural Waste”** means bulk waste from parks, gardens etc. including grass clippings, weeds, woody -brown carbon-rich material such as branches, twigs, wood chipping, straw, dead leaves, tree trimmings, etc. which cannot be accommodated in the daily collection system for bio-degradable waste ;
- (9) **“Bulk Waste Generator”** means bulk waste generator defined under Rule 3(1)(8) of the Solid Waste Management Rules, 2016 (hereinafter referred to as 'SWM Rules') and any other waste generator including buildings occupied by the Central Government departments or undertakings, State Government departments or undertaking, Local bodies, public sector undertakings or private companies, hospitals, nursing homes, schools, colleges, universities, other educational institutions, hostels, hotels, commercial establishments, markets, places of worship, stadia and sport complexes having an average waste generation rate exceeding 100 Kg. per day ;
- (10) **“C&D waste (Construction and Demolition waste)”** means Construction and Demolition Waste (Debris) that are non-hazardous in nature generated out of building materials, debris and rubble in the jurisdiction of [Municipal Committee, Tangmarg/Gulmarg].
- (11) **“Clean Area”** means the public place in front of and all around or adjacent to any premises extending to the kerb side and including the drain, foot path and kerb cleaned and so maintained in accordance with these bye-laws ;
- (12) **“Cleanliness Fee”** means an amount of fees collected by the managers/Organizers for cleaning the site by the Agency ;
- (13) **“Collection”** means lifting and removal of solid waste from source of waste generation, collection points or any other location ;
- (14) **“Collection Counter”** means where the user charges shall be remitted which will be available at all Zonal Officers and headquarters ;

- (15) **“Combustible waste”** means non-biodegradable, non-recyclable, non-reusable, non-hazardous solid waste having minimum calorific value exceeding 1500 kcal/kg and excluding chlorinated materials like plastic, wood pulp, etc.;
- (16) **“Community waste storage bin”** means any storage facility setup and maintained by the [Municipal Committee, Tangmarg/Gulmarg], in the State collectively by owners and or/occupiers of one or more premises for storage of Municipal Solid Waste in a segregated manner in the road side/premises of anyone of such owners/occupiers or in their common premises ;
- (17) **“Composting”** means a controlled process involving microbial decomposition of organic matter ;
- (18) **“Co-processing”** means use of non-biodegradable and non-recyclable solid waste having calorific value exceeding 1500k/cal as raw material or as a source of energy or both to replace or supplement the natural mineral resources and fossil fuels in industrial processes ;
- (19) **“Containerised Hand Cart”** means the hand cart provided by the [Municipal Committee, Tangmarg/Gulmarg] or the agency/agent appointed by it for point-to-point collection of solid waste ;
- (20) **“Decentralized processing”** means establishment of dispersed facilities for maximizing the processing of biodegradable waste and recovery of recyclables closest to the source of generation so as to minimize transportation of waste for processing or disposal ;
- (21) **“Delivery”** means handing over any category of solid waste to worker of [Municipal Committee, Tangmarg/Gulmarg] or any other person appointed, authorised or licensed by Municipal [Municipal Committee, Tangmarg/Gulmarg] for taking delivery of such waste or depositing it in any vehicle provided by [Municipal Committee, Tangmarg/Gulmarg], or

by any other authorised agency or licensed by [Municipal Committee, Tangmarg/Gulmarg], to do so ;

- (22) **“Disposal”** means the final and safe disposal of post processed residual solid waste and inert street sweepings and silt from surface drains on land to prevent contamination of ground water, surface water, ambient air and attraction of animals or birds ;
- (23) **“Domestic hazardous waste”** means discarded paint drums, pesticide cans, CFL bulbs, tube lights, expired medicines, broken mercury thermometers, used batteries, used needles and syringes and contaminated gauge, etc., generated at the household level ;
- (24) **“Door to door collection”** means collection of solid waste from the door step of households, shops, commercial establishments, offices, institutional or any other non-residential premises and includes collection of such waste from entry gate or a designated location on the ground floor in a housing society, multistoried building or apartments, large residential, commercial or institutional complex or premises ;
- (25) **“Dry waste”** means waste other than bio-degradable waste and inert street sweepings and includes recyclable and non recyclable waste, combustible waste and sanitary napkin and diapers, etc. ;
- (26) **“Dump sites”** means a land utilized by local body for disposal of solid waste without following the principles of sanitary land filling ;
- (27) **“Event”** means any gatherings for the purpose of functions, celebrations, meetings, rallies, processions, open air theatre activities, cinema shootings in public places.
- (28) **“Extended producer responsibility”** (EPR) means responsibility of any producer of packaging products such

as plastic, tin, glass, wrappers and corrugated boxes, etc., for environmentally sound management, till end-of-life of the packaging products ;

- (29) **“E-waste”** shall have the same meaning as defined under Rule 3(l) (r) of the E-Waste (Management) Rules, 2016.
- (30) **“Facility”** means any establishment wherein the solid waste management processes namely segregation, recovery, storage, collection, recycling, processing, treatment or safe disposal are carried out ;
- (31) **“Familiarization/warning period”** means that specific period, during which there is a relaxation in the fines for contravention of these bye-laws ;
- (32) **“Fine”** means penalty imposed on waste generators or operators of waste processing and disposal facilities under the bye-laws for non- compliance of the directions contained in rules and/or these bye-laws ;
- (33) **“Fixed Compactor Transfer Station (FCTS)”** means a powered machine which is designed to compact segregated solid waste and remains stationary when in operation. The compacts or may also be mobile when in operation, which may be called Mobile Transfer Station (MTS).
- (34) **“Handling”** includes all activities relating to sorting, segregation, material recovery, collection, secondary storage, shredding, baling, crushing, loading, unloading, transportation, processing and disposal of solid wastes ;
- (35) **“Hazardous waste”** means any waste which by reason of any of its physical, chemical, reactive, toxic, causing danger or is likely to cause danger to health or environment, whether alone or when in contact with other wastes or substances and all other hazardous wastes as defined in the Hazardous Wastes (Management and Handling) Rules, 1989 as amended to date and the Hazardous and other waste (Management and Transboundary Movement) Rules, 2016.

- (36) **“Horticulture, Parks and Garden Waste”** means waste from parks, gardens traffic island etc. These include grass clipping, annual weeds woody 'brown' carbon-rich material such as branches, twigs, wood chipping, straw, dead leaves, tree trimmings, etc. which cannot be accommodated in the daily collection system for bio-degradable waste ;
- (37) **“House-gully”** means a passage or strip of land, constructed, set apart or utilized for the purpose of serving as or carrying a drain or affording access to the latrine, urinal, cesspool or other receptacle for filling of other polluted matter by persons employed in the clearing thereof or in the removal of such matter therefrom.
- (38) **“Incineration”** means an engineered process involving burning or combustion of solid waste to thermally degraded waste materials at high temperatures ;
- (39) **“Inerts”** means wastes which are not bio-degradable, recyclable or combustible street sweeping or dust and silt removed from the surface drains ;
- (40) **“Informal waste collector”** includes individuals, associations or waste traders who are involved in sorting, sale and purchase of recyclable materials ;
- (41) **“Leachate”** means the liquid that seeps through solid waste or other medium and has extracts of dissolved or suspended material from it ;
- (42) **“Litter”** means all refuse and includes any other waste material which, if thrown or deposited as prohibited under these Bye-Laws, tends to create uncleanness or a danger or nuisance to public health, safety or welfare.
- (43) **“Littering”** means putting litter in such a location that it falls, descends, blows, is washed, percolates or otherwise escapes or is likely to fall, descend blow, be washed, percolate or otherwise escape into or onto any public place, or causing, permitting or allowing litter to fall, descend, blow, washed,

percolate or otherwise escape into or onto any public place.

- (44) **“Local body”** for the purpose of these bye-laws means JMC/SMC and other Local Bodies including, Municipal Councils, Municipal Committees, Town Area Committees, in the State.
- (45) **“Materials Recovery facility”** (MRF) means a facility where non-compostable solid waste can be temporarily stored by the local body or any other entity or any person or agency authorised by any of them to facilitate segregation, sorting and recovery of recyclables from various components of waste by authorised informal sector of waste pickers, informal recyclers or any other work force engaged by the local body or entity for the purpose before the waste is delivered or taken up for its processing or disposal ;
- (46) **“Neighbourhood”** means a clearly defined locality, with reference to its physical layout, character or inhabitants ;
- (47) **“New construction”** means all buildings under construction within the limits of the [Municipal Committee, Tangmarg/Gulmarg] ;
- (48) **“Non-biodegradable waste”** means any waste that cannot be degraded by microorganisms into simpler stable compounds ;
- (49) **“Nuisance”** includes any act, omission, place or thing which comes or is likely to cause injury, danger, annoyance or offence to the sense of sight, smelling or hearing or which is or may be dangerous to life or injurious to health or property ;
- (50) **“Nuisance Detectors”** (NOs) means those employees of the [Municipal Committee, Tangmarg/Gulmarg] who are appointed to detect the acts of Public nuisance, etc. ;

- (51) **“Occupier/occupant”** includes any person who for the time being is in occupation of, or otherwise using, any land or building or part thereof, for any purpose whatsoever ;
- (52) **“Operator of a facility”** means a person or entity, who owns or operates a facility for handling solid waste which includes the [Municipal Committee, Tangmarg/Gulmarg] and any other entity or agency appointed by the [Municipal Committee, Tangmarg/Gulmarg] ;
- (53) **“Owner”** means any person who exercises the rights of an owner of any building, or land or part thereof ;
- (54) **“Pelletisation”** means a process whereby pellets are prepared which are small cubes or cylindrical pieces made out of solid waste and includes, fuel pellets which are also referred as refuse derived fuel ;
- (55) **“Primary collection”** means collecting, lifting and removal of segregated solid waste from source of its generation including households, shops, offices and any other non-residential premises or from any collection points or any other location specified by the [Municipal Committee, Tangmarg/Gulmarg].
- (56) **“Processing”** means any scientific process by which segregated solid waste is handled for the purpose of reuse, recycling or transformation into new products ;
- (57) **“Public place”** includes any road, arch road, viaduct, lane, footway, alley or passage, highway, causeway, bridge, square alley or passage whether a thoroughfare or not over which the public have a right of passage, and such places to which the public has access such as parks, gardens, recreation grounds, playgrounds, beaches, water bodies, water courses, public plazas and promenades, government and municipal buildings, public hospitals, markets, slaughter houses, courts, etc. ;
- (58) **“Prescribed”** means prescribed by SWM Rules and/or these bye-laws ;

- (59) **“Receptacle”** means any storage container, including bins and bags, used for the storage of any category of MSW ;
- (60) **“Recycling”** means the process of transforming segregated non-biodegradable solid waste into new material or product or as raw material for producing new products which may or may not be similar to the original products ;
- (61) **“Recyclable Waste”** means the waste that is commonly found in the MSW. It is also called as "Dry Waste". These include many kinds of glass, paper, metal, plastic, textiles, electronics goods, etc.
- (62) **“Redevelopment”** means rebuilding of old residential or commercial buildings at the same site, where the existing buildings and other infrastructures have become dilapidated ;
- (63) **“Refuse”** means any waste matter generated out of different activities, processes, either Bio-degradable/Non-biodegradable/recyclable in nature in either solid or semi-solid form which cannot be consumed, used or processed by the generator in its existing form.
- (64) **“Refuse Derived Fuel” (RDF)** means fuel derived from combustible waste fraction of solid waste like plastic, wood, pulp or organic waste, other than chlorinated materials, in the form of pellets or fluff produced by drying, shredding, dehydrating and compacting of solid waste ;
- (65) **“Residual solid waste”** means and includes the waste and rejects from the solid waste processing facilities which are not suitable for recycling or further processing ;
- (66) **“Rule”** means Solid Waste Management Rules, 2016 ;
- (67) **“Sanitation”** means the promotion of hygiene and the prevention of disease and other consequences of ill health relating to environmental factors ;

- (68) **“Sanitary Landfill Facility”** means a waste disposal site for the deposit of residual solid waste in a facility designed with protective measures against pollution of ground water, surface water and air fugitive dust, wind-blown litter, bad odour, fire hazard, bird menace, pests or rodents, greenhouse gas emissions, slope instability and erosion ;
- (69) **“Sanitary land filling”** means the final and safe disposal of residual solid waste and inert wastes on land in a facility designed with protective measures against pollution of ground water, surface water and fugitive air dust, wind-blown litter, bad odour, fire hazard, animal menace, bird menace, pests or rodents, greenhouse gas emissions, persistent organic pollutants slope instability and erosion ;
- (70) **“Sanitary waste”** means wastes comprising of used diapers, sanitary towels or napkins, tampons, condoms, incontinence sheets and any other similar waste ;
- (71) **“Sanitary worker”** means a person employed by the municipal corporation for collecting or removing MSW or cleansing the drains in the municipal/corporation areas ;
- (72) **“Schedule”** means the Schedule appended to these rules ;
- (73) **“Storage”** means the temporary containment of solid waste in a manner so as to prevent littering, attraction to vectors, stray animals and excessive foul odour ;
- (74) **“Secondary storage”** means the temporary containment of solid waste after collection at secondary waste storage depots or MRFs or bins for onward transportation of the waste to the processing or disposal facility ;
- (75) **“Segregation”** means sorting and separate storage of various components of solid waste namely biodegradable wastes including agriculture and dairy waste, non biodegradable wastes including recyclable waste, non-recyclable combustible waste, sanitary waste and non recyclable inert waste, domestic hazardous wastes, and construction and demolition wastes ;

- (76) **“Service provider”** means an authority providing public utility services like water, sewerage, electricity, telephone, roads, drainage, etc. ;
- (77) **“Solid waste”** means and includes solid or semi-solid domestic waste, sanitary waste, commercial waste, institutional waste, catering and market waste and other non-residential wastes, street sweepings, silt removed or collected from the surface drains, horticulture waste, agriculture and dairy waste, treated bio-medical waste, Hazardous waste excluding industrial waste, bio-medical waste and e-waste, battery waste, radio-active waste generated in the area under the local authorities and other entities ;
- (78) **“Sorting”** means separating various components and categories of recyclables such as paper, plastic, cardboards, metal, glass, etc., from mixed waste as may be appropriate to facilitate recycling ;
- (79) **“Source”** means the premises in which the waste is generated or a community storage centre used by owners/occupiers of one or more premises for segregated storage of MSW ;
- (80) **“Spittoon”** means a metal or earthenware pot typically having a funnel-shaped top, used for spitting into.
- (81) **“Stabilising”** means the biological decomposition of biodegradable wastes to a stable state where it generates no leachate or offensive odours and is fit for application to farm land, soil erosion control and soil remediation ;
- (82) **“Stabilised biodegradable waste”** means the biologically stabilized (free of pathogens) waste resulting from the mechanical/biological treatment of bio degradable waste ; only when stabilised can such waste be used with no further restrictions ;
- (83) **“Street vendor”** means any person engaged in vending of articles, goods, wares, food items or merchandise of everyday use or offering services to the general public, in a street,

lane, side walk, footpath, pavement, public park or any other public place or private area, from a temporary built up structure or by moving from place to place and includes hawker, peddler, squatter and all other synonymous terms which may be local or region specific; and the words ÷street vending÷ with their grammatical variations and cognate expressions, shall be construed accordingly ;

- (84) **“Tipping fee”** means a fee or support price determined by the local authorities or any state agency authorised by the State government to be paid to the concessionaire or operator of waste processing facility or for disposal of residual solid waste at the landfill ;
- (85) **“Transportation”** means conveyance of solid waste, either treated, partly treated or untreated from a location to another location in an environmentally sound manner through specially designed and covered transport system so as to prevent the foul odour, littering and unsightly conditions ;
- (86) **“Transfer station”** means a facility created to receive solid waste from collection areas and transport in bulk in covered vehicles or containers to waste processing and, or, disposal facilities ;
- (87) **“Treatment”** means the method, technique or process designed to modify physical, chemical or biological characteristics or composition of any waste so as to reduce its volume and potential to cause harm ;
- (88) **“User fee/Charges”** means fees or charges imposed by [Municipal Committee, Tangmarg/Gulmarg] through general or special order of the Competent Authority from time-to-time, on the waste generator to cover full or part cost of providing solid waste collection, transportation, processing and disposal services ;
- (89) **“Vacant Plot”** means any Land or open space belonging to a private party/person that is not occupied by them/him ;

- (90) **“Vermi composting”** means the process of conversion of bio-degradable waste into compost using earth worms ;
- (91) **“Waste hierarchy”** means the priority order in which the solid waste is to be managed by giving emphasis to prevention, reduction reuse, recycling, recovery and disposal, with prevention being the most preferred option and the disposal at the landfill being the least ;
- (92) **“Waste generator”** means and includes every person or group of persons, every residential premises and non-residential establishments including Indian Railways, defence establishments, which generate solid waste or other institutions i. e. Hotels, restaurants, malls, private/government business/industrial establishments falling within the limits of [Municipal Committee, Tangmarg/Gulmarg].
- (93) **“Waste picker”** means a person or groups of persons informally engaged in collection and recovery of reusable and recyclable solid waste from the source of waste generation, streets, bins, material recovery facilities, processing and waste disposal facilities for sale to recyclers directly or through intermediaries to earn their livelihood.

## CHAPTER II

### Segregation and Primary Storage of Solid Waste

#### *4. Segregation and storage of solid waste at source.ô*

(1) It shall be necessary for all waste generators to separate and store the solid waste coming out of their own places regularly into three streams namely :ô

- (a) non-biodegradable or dry waste ;
- (b) biodegradable or wet waste ;
- (c) domestic hazardous waste; and deposit it into covered waste bins, and handover segregated waste to designated waste collectors as per the direction of [Municipal Committee, Tangmarg/Gulmarg], from time to time.

(2) Every bulk waste generator is to separate and store the solid waste coming out of their own places into three streams namely :ô

- (a) non-biodegradable or dry waste ;
- (b) biodegradable or wet waste ;
- (c) hazardous waste in suitable bins ; and handover segregated waste to authorised waste processing or disposal facilities or deposition centres through the authorised waste collection agency with paying the carrying charges specified by [Municipal Committee, Tangmarg/Gulmarg] from time to time.

(3) The colour of bins for storage of segregated waste shall be green- for biodegradable waste or wet waste blue - for non- biodegradable or dry waste and black- for domestic hazardous waste.

(4) All resident welfare and market associations shall ensure segregation of waste at source by the generators, facilitate collection of segregated waste in separate streams, handover recyclable material to either the authorised waste pickers or the authorised recyclers. The bio-degradable waste shall be processed, treated and disposed of through composting or bio-methanation within the premises as far as possible. The residual waste shall be given to the waste collectors or agency as directed by [Municipal Committee, Tangmarg/Gulmarg].

(5) All gated communities and institutions with more than 5,000 sq. m. area shall ensure segregation of waste at source by the generators, facilitate collection of segregated waste in separate streams, handover recyclable material to either the authorised waste pickers or the authorised recyclers. The bio-degradable waste shall be processed, treated and disposed off through composting or bio- methanation within the premises as far as possible. The residual waste shall be given to the waste collectors or agency as directed by [Municipal Committee, Tangmarg/Gulmarg].

(6) All hotels and restaurants shall ensure segregation of waste at source, facilitate collection of segregated waste in separate streams,

handover recyclable material to either the authorised waste pickers or the authorised recyclers. The bio-degradable waste shall be processed, treated and disposed of through composting or bio-methanation within the premises as far as possible. The residual waste shall be given to the waste collectors or agency as directed by [Municipal Committee, Tangmarg/Gulmarg].

(7) No person shall organize an event or gathering of more than one hundred persons at any unlicensed place without intimating [Municipal Committee, Tangmarg/Gulmarg] along with payment of user fee as prescribed in the schedule, at least three working days in advance and the person or the organizer of such event shall ensure segregation of waste at source and handing over of segregated waste to waste collector or agency as specified by [Municipal Committee, Tangmarg/Gulmarg].

(8) Used sanitary waste are to be securely wrapped as and when generated in the pouches provided by the manufacturers or brand owners of these products or in a news paper or suitable biodegradable wrapping material and place the same in the bin meant for non-biodegradable waste or dry waste.

(9) Every street vendor shall keep suitable containers for storage of segregate waste generated during the course of his activity such as food waste, disposable plates, cups, cans, wrappers, coconut shells, leftover food, vegetables, fruits, etc., and shall deposit such waste at waste storage depot or container or vehicle as notified by [Municipal Committee, Tangmarg/Gulmarg].

(10) Waste generator of garden and horticulture waste generated from his premises shall store such waste separately in his own premises and dispose of the same as per the directions of [Municipal Committee, Tangmarg/Gulmarg] from time to time.

(11) Domestic Hazardous Waste shall be stored and delivered by every waste generator to the collection vehicle which shall be provided weekly/periodically by [Municipal Committee, Tangmarg/Gulmarg] or any other Agency authorised by it for collection of such waste, or to a centre designed for collection of such waste for disposal in a manner that is mandated by the Government of Jammu and Kashmir or State Pollution Control Board.

(12) Construction and Demolition Waste shall be stored and delivered separately as per the Construction and Demolition Waste Management Rules, 2016.

(13) No untreated bio-medical waste, e-waste, hazardous chemicals and industrial waste shall be mixed with solid waste. Such waste shall be disposed off in accordance with the respective rules framed under the Environment (Protection) Act, 1986.

(14) Every owner/occupier of any premises other than designated slaughter houses and markets, who generates poultry, fish and slaughter waste as a result of any commercial activity, shall store the same separately in closed, hygienic condition and deliver it at a specified time, on a daily basis to the [Municipal Committee, Tangmarg/Gulmarg] collection vehicle provided for this purpose. Depositing of such waste in any community waste bin is strictly prohibited.

(15) Segregated bio-degradable solid waste if not composted by the generators, shall be stored by them within their premises and its delivery shall be ensured to the municipal worker/vehicle/waste picker/waste collector or to the bio-degradable waste collection vehicle provided for specified commercial generators of bulk bio-degradable waste at such times as may be notified from time to time.

### CHAPTER III

#### **Solid Waste Collection**

5. *Collection of Solid Waste.* (1) In compliance with SWM Rules, 2016, door to door collection of segregated solid waste shall be implemented in all areas or Wards of [Municipal Committee, Tangmarg/Gulmarg], to collect garbage from every house, including slums and informal settlements on a daily basis by integrating the informal door to door collection system with [Municipal Committee, Tangmarg/Gulmarg] collection system.

(2) In order to collect garbage from every house, area-wise specific time slot shall be set and published at conspicuous parts of that area and on the website of [Municipal Committee, Tangmarg/Gulmarg]. Commonly, time for house to house garbage collection shall be set from 5.30 A. M.

to 10.30 A. M. for summer and for winter 7:00 A. M. to 11:00 A. M. For collection of garbage from trading establishments, shops in commercial areas or any other institutional waste generators, commonly the time shall be from 7.30 A. M. to 11.00 A. M. However, sweeping can be undertaken twice daily, if required at public and commercial places. The timing for collection of garbage from the trading establishments, shops in commercial areas or any other institutional waste generators shall be decided by the [Municipal Committee, Tangmarg/Gulmarg] accordingly.

(3) Arrangements shall be made for collection of residual solid waste from bulk waste generators, which are processing waste *in situ*.

(4) Residual solid waste from vegetable, fruit, flower, meat, poultry and fish market shall be collected on day to day basis.

(5) Horticulture and garden waste shall be separately collected and disposed off. One or two days in a week shall be specified for this purpose.

(6) To make optimum use of bio-degradable waste from fruits and vegetable markets, meat and fish markets, bulk horticulture and garden waste and to minimize the cost of collection and transportation, such waste shall be processed or treated within the area where waste is generated.

(7) Manual handling of waste in the containers shall be prohibited. If unavoidable due to constraints, manual handling shall be carried out under proper protection with due care for safety of workers.

(8) Waste generators shall be responsible to deposit their segregated waste in the Auto-Tipper/Rickshaws etc. deployed by [Municipal Committee, Tangmarg/Gulmarg]. Segregated waste from multistoried buildings, apartments, housing complexes may be collected from the entry gate or any other designated location.

(9) Changing needs and advances in technology shall be taken into consideration for selection of collection equipment and vehicles. Auto-Tippers or vehicles of specific capacity with hydraulically operated hopper

covering mechanism from top having two compartments for carrying biodegradable and non-biodegradable waste separately with a hooter shall be deployed for collection of waste.

(10) Automatic voice recorded device, bell or horn having sound not more than the permissible noise level shall be installed on every garbage collection vehicle used by waste collectors.

(11) Route plans for each primary collection and transportation vehicle shall be provided by [Municipal Committee, Tangmarg/Gulmarg] or by the notified authorised waste collector. These plans in tabular as well as GIS map form, duly approved by [Municipal Committee, Tangmarg/Gulmarg] shall mention starting point, start time, waiting points, waiting time on route, end point and end time of the specified route. [Municipal Committee, Tangmarg/Gulmarg] or the notified authorised waste collector shall provide a 'Board' at each street to display time-table of primary collection and transportation vehicles to allow residents avail the facility at prescribed time. Such information shall also be uploaded on the website of [Municipal Committee, Tangmarg/Gulmarg] and published in the local leading newspaper periodically for the information of General Public.

(12) In narrow streets that cannot be serviced by auto tipper or the vehicle, a 3-Wheeler or smaller motorized vehicle with hydraulically operated hopper covering mechanism from top having two compartments for carrying wet and dry waste separately with a hooter, compatible with mobile transfer station shall be deployed.

(13) In congested and narrower streets that cannot even be serviced by 3-Wheeler or smaller vehicle, cycle rickshaws or any other type of suitable equipment shall be deployed.

(14) Smaller, narrow and congested streets/lanes where even a 3-wheeler/ rickshaw etc. cannot operate, vantage points shall be designated at the start of the locality/street where the collection vehicle shall be parked and the helper/driver of vehicle shall carry a whistle and walk in the locality to announce arrival of vehicle for collecting solid waste. Time table for such collection system shall be displayed at the notice board and

uploaded on the website of [Municipal Committee, Tangmarg/Gulmarg].

(15) Auto tippers, 3-wheelers, rickshaws and any other type of collection vehicles engaged in this service shall collect waste only from households and not from any other source viz. dhalaos, open sites, ground, bins and drains etc.

(16) [Municipal Committee, Tangmarg/Gulmarg] or its notified authorised waste collectors shall be responsible to cover all the streets/lanes of each zone for the primary collection.

#### CHAPTER IV

##### **Secondary Storage of Solid Waste**

###### *6. Storage of solid waste in the secondary storage points.ô*

(1) Segregated solid waste collected from doorsteps shall be taken to waste storage depots, community storage bins or fixed or mobile transfer stations or the locations specified by [Municipal Committee, Tangmarg/Gulmarg] for secondary storage of waste.

(2) Such secondary storage points shall have covered containers (of specified colour) for separate storage of :ô

- (a) non-biodegradable or dry waste ;
- (b) biodegradable or wet waste ;
- (c) domestic hazardous waste ;

(3) Different containers shall be used in the areas demarcated by [Municipal Committee, Tangmarg/Gulmarg] to keep segregated waste in the following manner :ô

- (a) green- for biodegradable waste ;
- (b) blue - for non-biodegradable ;
- (c) black - for domestic hazardous waste ;

[Municipal Committee, Tangmarg/Gulmarg] shall separately notify, from time to time, mandatory colour coding and other specifications of receptacles prescribed for storage and delivery of different types of solid waste to enable safe and easy collection without any mixing or spillage of waste, which generators of different types of solid waste shall have to adhere to.

(4) [Municipal Committee, Tangmarg/Gulmarg] on its own or through outsourcing agencies shall maintain the storage facilities for solid waste in a manner that does not create unhygienic and unsanitary conditions around it.

(5) Containers of various sizes in the secondary storage depots shall be provided by [Municipal Committee, Tangmarg/Gulmarg] or any assigned agencies in different colours as mentioned in these bye-laws.

(6) Storage facilities shall be created and established by taking into account quantities of waste generation in a given area and the density of population.

(7) Storage facilities shall be user friendly and shall be so designed that it ensures compaction of waste and that the waste stored is not exposed to open atmosphere.

(8) All the housing cooperative societies, associations, residential and commercial establishments and gated communities etc. shall have the responsibility to put coloured bins as prescribed by these bye-laws and to keep adequate number of containers in appropriate places in their own complexes, so that the daily waste generated there can be properly deposited.

(9) [Municipal Committee, Tangmarg/Gulmarg] or its specified agency shall carry out washing and disinfection of all the bins on a weekly basis.

(10) Recycling Centers for Dry Waste (Non-Biodegradable Waste)ô

(a) [Municipal Committee, Tangmarg/Gulmarg] shall convert its existing Dhalaos or identify specific location as per

requirement, as 'Recycling Centers' which shall be used for segregation of dry waste received through street/door to door waste collection service. Recycling centers may be increased depending on the quantity of dry waste received.

- (b) Dry (non-biodegradable) waste from street/door-to-door collection system and from commercial establishments shall be transferred only to these designated recycling centers. These designated centers shall receive only dry waste.
- (c) There shall also be a provision for the households to directly deposit or sell their recyclable dry waste to the authorised agents and/or authorised waste dealers of [Municipal Committee, Tangmarg/Gulmarg] at these recycling centers at pre-notified rates. A weighing scale and a counter shall be provided at each recycling unit for this purpose. The authorised agents and/or authorised waste dealers shall be allowed to dispose off or sell the recyclable waste to the secondary market or recycling units only in consonance with the provisions of SWM Rules, 2016. The authorised agents and/or authorised waste dealers will be entitled to retain sales realization thereof.

(11) Deposition Centre for specified Domestic Hazardous Waste

- (a) For the collection of domestic hazardous waste, a deposition centre will be set up at a suitable location for receiving the specified domestic hazardous waste. Such facility shall be set in each ward in a manner as per guidelines prescribed and notify the timing of receiving of such waste.
- (b) [Municipal Committee, Tangmarg/Gulmarg] may also give the responsibility to its agency or concessionaire to collect domestic hazardous waste from all waste generators in segregated manner.
- (c) Such waste shall be transported separately to the hazardous waste disposal facility set up by the Government.

## CHAPTER V

### Transportation of Solid Waste

7. *Transportation of solid waste.* (1) Vehicles used for transportation of waste shall be covered in such manner that the collected waste is not exposed to open environment. The vehicles may also include compactors and mobile transfer stations depending upon choice of technology by [Municipal Committee, Tangmarg/Gulmarg].

(2) The storage facilities set up by [Municipal Committee, Tangmarg/Gulmarg] shall be attended daily for clearing waste. The areas around the place where the bins or containers are kept shall also be cleaned.

(3) Collected segregated bio-degradable waste from residential and other areas shall be transferred to the processing plants like compost plants, bio-methanation plants or any such other facilities in a covered manner.

(4) Wherever applicable, for bio-degradable waste, preference shall be given for on-site processing of such waste.

(5) Collected non-bio-degradable waste shall be transported to the respective processing facilities or secondary storage facilities.

(6) Construction and Demolition Waste shall be transported as per the provisions of the Construction and Demolition Waste Management Rules, 2016.

(7) [Municipal Committee, Tangmarg/Gulmarg] shall make arrangements for transportation of inerts in a proper manner. The street sweeping waste and removable drain silt shall be removed immediately after the work is over.

(8) Transportation vehicles shall be so designed that multiple handling of waste, prior to final disposal, is avoided.

(9) The collection vehicles engaged for the purpose shall deposit/transfer waste only at the MTS (Mobile Transfer Station) or FCTS (Fixed compactor Transfer Stations) wherever provided.

(10) In case MTS/FCTS is not stationed at the designated location at that point of time for any reason, then the 'loaded vehicle' shall go to the next designated location of the MTS or FCTS or the site specified by [Municipal Committee, Tangmarg/Gulmarg] to unload the waste.

(11) Fixed compactor transfer station shall be transported through hook loader.

(12) MTS or FCTS shall transport the waste directly to compost plant, waste to energy plant or any other site/plant designated by [Municipal Committee, Tangmarg/Gulmarg].

(13) There should be no inter-mixing of waste from various sources during the transportation of waste.

(14) The services of street level collection and transportation of waste shall be provided every day including holidays.

(15) MTS engaged in this service shall receive waste only from designated auto tippers, 3-wheelers or vehicle/bins collecting waste from street level operations.

(16) Dedicated MTS shall be deployed at specified locations to receive waste from the Auto Tippers, 3-Wheelers, Rickshaws etc. engaged in street-level and door-to-door collection of solid waste from households and commercial establishments as per the approved route plans.

(17) Design of MTS and FCTS shall allow unloading of waste from primary collection vehicles by consuming minimum time and without littering waste.

(18) Garbage spilled near MTS and FCTS, while transferring the solid waste, should be cleaned so that no spillage is left. Disinfectant should be used after cleaning process at that location.

(19) [Municipal Committee, Tangmarg/Gulmarg] or its specified agency shall install CCTV cameras at all secondary storage facilities.

## CHAPTER VI

### Processing of Solid Waste

8. *Processing of solid waste.* (1) [Municipal Committee, Tangmarg/Gulmarg] shall facilitate construction, operation and maintenance of solid waste processing facilities and associated infrastructure on their own or through any agency for optimum utilisation of various components of solid waste adopting suitable technology including the following technologies and adhering to the guidelines issued by the Ministry of Urban Development from time to time and standards prescribed by the Central Pollution Control Board :

- (a) to minimise transportation cost and environmental impacts, preference shall be given to decentralised processing such as bio-methanation, microbial composting, vermi-composting, anaerobic digestion or any other appropriate processing for bio-stabilisation of biodegradable waste ;
- (b) through medium/large composting bio-methanation plants at centralised locations ;
- (c) through waste to energy processes by refuse derived fuel for combustible fraction of waste or supply as feed stock to solid waste based power plants ; and/or
- (d) through construction and demolition waste management plants.

(2) [Municipal Committee, Tangmarg/Gulmarg] shall endeavour to create a market for consumption of RDF (Refuse Derived Fuel). The cement factories are liable to take RDF from municipal dumping sites who have to use RDF to the order of 5% of the total fuel burnt by them in their kilns.

(3) In waste to energy plant by direct incineration, absolute segregation shall be mandatory and be part of the terms and conditions of the relevant contracts.

(4) [Municipal Committee, Tangmarg/Gulmarg] shall ensure that recyclables such as paper, plastic, metal, glass, textile etc. go to authorised recyclers.

9. *Other guidelines for processing of solid waste.* (1) [Municipal Committee, Tangmarg/Gulmarg] shall enforce processing of bio-degradable waste on site of generation of such waste through composting or bio-methanation, as far as possible, at RWAs (Resident Welfare Associations), group housing societies, markets, gated communities and institutions with more than 5000 sq. m. areas, all hotels and restaurants, banquet halls and places of such nature. Preference shall be given for on site processing of biodegradable waste generated by other waste generators as well.

(2) Bulk generators who fail to install waste processing units within their premises shall be liable for fine to install such processing units with time line envisaged in the notices. If they perpetually fail to establish waste disposal system within six months after first notice issued to them, the [Municipal Committee, Tangmarg/Gulmarg] are empowered to seal such erring bulk waste generating business establishments.

(3) [Municipal Committee, Tangmarg/Gulmarg] shall enforce that markets dealing with vegetables, fruits, flowers, meat, poultry and fish waste while processing bio-degradable waste ensure hygienic conditions.

(4) [Municipal Committee, Tangmarg/Gulmarg] shall enforce processing of horticulture, parks and garden waste separately in the parks and gardens by the generators.

(5) [Municipal Committee, Tangmarg/Gulmarg] shall involve communities in waste management and promote home composting, bio gas generation, decentralized processing of waste at community level, subject to control of odour and maintenance of hygienic conditions around the facility.

(6) The waste generator has to pay user charges/sanitation fee to the local bodies inspite of the fact if they process their waste at their institutional level.

## CHAPTER VII

### **Disposal of Solid Waste**

10. *Disposal of Solid waste.* [Municipal Committee, Tangmarg/Gulmarg] shall undertake on its own or through any other agency, the construction, operation and maintenance of sanitary landfill and associated infrastructure for disposal of residual waste and inert street sweepings and silt from surface drains in a manner prescribed under SWM Rules and any other obligation imposed by any other law for the time being in force.

## CHAPTER VIII

### **User Fee and Levying of Spot Fine/Penalty**

11. *User fee for collection, transportation, disposal of solid waste.* (1) User fee shall be fixed for providing services for garbage collection, transportation and disposal from waste generators by [Municipal Committee, Tangmarg/Gulmarg]. The rates of user fee are specified in Schedule-I.

(2) The user fee so fixed shall be collected from waste generators by [Municipal Committee, Tangmarg/Gulmarg] or the authorised agency or person as may be authorised by Commissioner/Director of [Municipal Committee, Tangmarg/Gulmarg] in this behalf.

(3) [Municipal Committee, Tangmarg/Gulmarg] shall prepare the database of all the waste generators for the purpose of levying user fee, and evolve appropriate mechanism for billing/collection/recovery of user charges, within three months from the date of notification of these bye-laws. The database shall be updated regularly.

(4) [Municipal Committee, Tangmarg/Gulmarg] shall adopt different methods for collection of user fee including online payment.

(5) Special days in a month, preferably in first week of each month, shall be fixed for collection of user fee.

(6) There shall also be a system of yearly or half yearly payment. If the user fee is paid in advance for the entire year, then amount for ten months will be charged instead of twelve months. Similarly, for six months advance payment, five and half months demand amount will be charged instead of six months.

(7) The user fee mentioned in Schedule-I shall stand automatically increased by 5% after every 3 years with effect from 1st January of the year.

(8) The user fee shall be collected only by the institution/person authorised by the competent authority by a general or special order in this behalf.

(9) In case of default of payment of user fee/fine, the competent authority may recover the same from the defaulter as an arrear of land revenue as per the provision of Land Revenue Act, 1996. However, Municipal Corporation, Jammu/Srinagar shall be allowed to effect the recovery under the provisions of Jammu and Kashmir Municipal Corporation Act, 2000.

12. *Fine/Penalty for contravention of SWM Rules.*

(a) Whosoever contravenes or fails to comply with any of the provisions of SWM Rules or these bye-laws shall be imposed with fine as mentioned in Schedule-II appended to these bye-laws.

(b) In case of repeated contravention or non-compliance as mentioned in clause (a) above, fine amount for every such default shall be levied per day or month, as the case may be.

(c) The Commissioners shall designate officers for levying fine or penalty by a general or special order in this behalf. The fine/penalty amount is specified in Schedule-II.

(d) The fine or penalty mentioned in Schedule-II shall stand automatically increased by 5% after every 3 years with effect from 1st January of the year.

(e) The fine shall be levied and collected on the spot by the designated officers. In case of non-payment of fine at the spot, the procedure for

prosecution prescribed under provisions of the Environment (Protection) Act, 1986 shall follow.

(f) In realization of fines imposed on defaulters, the J&K State Pollution Control Board shall not renew the licenses of hotels and other business units unless an NOC is not procured by the business unit/s from the concerned [Municipal Committee, Tangmarg/Gulmarg].

(g) Fine shall be imposed on the hospitals and allied concerns if they are found mixing bio-medical wastes with municipal solid waste.

(h) Charges for the material recovery by rag pickers or waste dealers to be decided by the concerned Local Bodies.

(i) Concession to bulk purchasers of compost/plastic/tin and recyclables on the price of by product, if any, as a result of processing of Solid Waste shall be decided by the [Municipal Committee, Tangmarg/Gulmarg].

(j) The cement manufacturing units shall be responsible to lift the RDF from municipal dumping sites and their license renewals be linked with [Municipal Committee, Tangmarg/Gulmarg] NOC.

(k) Tippers ferrying building material and causing avoidable waste on the streets shall be liable for fine to be decided by the [Municipal Committee, Tangmarg/Gulmarg] but not less than Rupees Five Hundred (500/-) per default.

13. *Responsibilities of Waste Generators.* (1) Prohibition of littering

- (a) Littering in any public place : No person shall litter in any public place except in authorised public or private litter receptacles. No person shall repair vehicles, wash/clean utensils or any other object or keep any type of storage in any public place except in such public facilities or conveniences specifically provided for any of these purposes.
- (b) Littering on any property : No person shall litter on any open or vacant property except in authorised private or public receptacles.

- (c) Litter-throwing from vehicles : No person, whether a driver or passenger in a vehicle, shall litter upon any street, road, sidewalk, playground, garden, traffic island or other public place. No vehicle shall be washed on roads, river banks, near public parks, water bodies.
  - (d) Litter from goods vehicles : No person shall drive or move any truck or other goods vehicle unless such vehicle is so constructed and loaded as to prevent any load, contents or litter from being blown off or deposited upon any road, sidewalks, traffic island, playground, garden or other public place.
  - (e) Litter by owned/pet animals : It shall be the responsibility of the owner of any pet animal including dog, cat etc. to promptly scoop/clean up any litter created by such pet on the street or any public place and take adequate steps for the proper disposal of such waste preferably by their own sewage system.
  - (f) Disposal of waste in drain etc. No person shall litter in any drain/river/open pond/water bodies.
- (2) Burning of waste : Disposal by burning of any type of solid waste at public places or at any private or public property is strictly prohibited.
- (3) Clean Area : Every person shall endeavour that any public place in front of or adjacent to any premises owned or occupied by him including the footpath and open drain/gutter and kerb is free of any waste, either in solid or liquid form.
- (4) For Public Gatherings and Events organised in public places for any reason (including for processions, exhibitions, circuses, fairs, political rallies, commercial, religious, socio-cultural events, protests and demonstrations, etc.) where the permission from the Police Department and/or from the [Municipal Committee, Tangmarg/Gulmarg] is required, it will be the responsibility of the organiser of the event or gathering to ensure the cleanliness of that area as well as all appurtenant areas.

(5) Refundable Cleanliness Deposit, as may be notified by the [Municipal Committee, Tangmarg/Gulmarg], will be taken from the organiser, by the concerned zonal office for the duration of the event. This deposit will be refunded on the completion of the event after it is noted that the said public place has been restored back to a clean state, and any waste generated as a result of the event has been collected and transported to designated sites. This deposit will be only for the cleanliness of the public place and does not cover any damage to property. In case the organisers of the event wish to avail of the services of the [Municipal Committee, Tangmarg/Gulmarg] for the cleaning, collection and transport of waste generated as a result of that event, they must apply to the concerned Executive Officer [Municipal Committee, Tangmarg/Gulmarg] for availing the services and pay the necessary charges as may be fixed by the Competent Authority for this purpose.

(6) Dumping of solid waste on vacant plot and depositing construction and demolition waste at non-designated locations shall be dealt with by the [Municipal Committee, Tangmarg/Gulmarg] in the following manner :

- (a) The [Municipal Committee, Tangmarg/Gulmarg] may serve a notice on the owner/occupier of any premises, requiring such owner/occupier to clear any waste on such premises in a manner and within a time specified in such notice.
- (b) If the person on whom the notice has been served fails to comply with the requirements imposed by the notice, such person shall be liable to pay penalties as prescribed from time to time.
- (c) If the person on whom the notice is served fails to comply with any requirements imposed by such notice, the [Municipal Committee, Tangmarg/Gulmarg] may
  - (i) Enter on the premises and clear the waste ; and
  - (ii) Recover from the occupier the expenditure incurred in having done so.

(7) Duty of manufacturers or brand owners of disposable products and sanitary napkins and diapers

- (a) All manufacturers/sole distributors/whole sellers of disposal products such as tin, glass, plastics packaging, wrappers etc., or brand owners who introduce such products in the market within the jurisdiction of [Municipal Committee, Tangmarg/Gulmarg] shall provide necessary financial assistance to [Municipal Committee, Tangmarg/Gulmarg] for establishment of waste management system. [Municipal Committee, Tangmarg/Gulmarg] may also coordinate with the concerned departments of Central Govt. and/or the Govt. of J&K for implementation of this provision.

**0.5% of Annual turnover shall be chargeable from them for establishment/maintenance of solid waste management facilities to be deposited with the concerned corporation/local body.**

- (b) All such brand owners who sell or market their products in such packaging material which are non-biodegradable shall put in place a system to collect back the packaging waste generated due to their production.
- (c) Manufacturers or brand owners or marketing companies of sanitary napkins and diapers shall explore the possibility of using all recyclable materials in their products or they shall provide a pouch or wrapper for disposal of each napkin or diapers along with the packet of their sanitary products.
- (d) All such manufacturers, brand owners or marketing companies shall educate the masses for wrapping and disposal of their products.

(8) All industrial units using fuel and located within one hundred Km. from a solid waste based refuse derived fuel plant shall make arrangements to replace at least five percent of their fuel requirement by refused derived fuel so produced.

14. *Responsibilities of [Municipal Committee, Tangmarg/Gulmarg].* (i) [Municipal Committee, Tangmarg/Gulmarg] shall within

its territorial area, be responsible for ensuring regular system of surface cleaning of all common streets/ roads, public places, temporary settlements, slum areas, markets, its own parks, gardens, drains etc. by employing human resources and machines and shall be bound to collect the garbage from the declared storage containers, and transport it every day to the final disposal point in closed vehicles for which [Municipal Committee, Tangmarg/Gulmarg] may engage private parties on contract or Public Private Partnership mechanism with the prior approval of Govt., apart from its own cleaning staff and vehicles. In addition, [Municipal Committee, Tangmarg/Gulmarg] shall identify all the commercial areas for carrying out sweeping twice a day.

(ii) [Municipal Committee, Tangmarg/Gulmarg] or the authorised agency engaged by it shall provide and maintain sufficient number of community litter bins of sufficient size on public roads, in surroundings of railway stations, bus stops, religious places, in commercial areas etc.

(iii) [Municipal Committee, Tangmarg/Gulmarg] for the purpose of managing solid waste activities in decentralized and regular manner shall designate one officer in every ward to supervise the spots of containers, public toilets, community toilets or urinals in public places, transfer station for public garbage, landfill processing units etc.

(iv) The competent authority shall designate sufficient Senior Officer/s, preferably not below the rank of to be decided by the [Municipal Committee, Tangmarg/Gulmarg], as Nodal Officer/s to monitor the progress of segregation, collection, transportation, processing and disposal of solid waste.

(v) Each ward shall be divided into sweeping beats based on the prescribed parameter and deploy manpower accordingly or rationalize the existing deployment and monitor their work by using latest technology. Wherever it is unable to get sweeping through its own staff, it may outsource through contract. Each beat shall be inspected by the supervising officials on daily basis prescribed as per directions.

(vi) [Municipal Committee, Tangmarg/Gulmarg], shall employ latest road/street cleaning machines, mechanical sweepers or other equipments which improves the efficiency of sweeping and drainage cleaning.

(vii) [Municipal Committee, Tangmarg/Gulmarg] shall create awareness and sensitization through Information, Education and Communication (IEC) campaign and educate the waste generators and other stakeholders about the various provisions of Solid Waste Management Rules and these bye- laws with special emphasis on user fee and fines/ penalties.

(viii) [Municipal Committee, Tangmarg/Gulmarg] shall encourage waste generators to treat wet waste at source. It may consider creating systems for incentives for adoption of decentralized technologies such as bio-methanation, composting etc. Incentives may be like awarding and recognizing the households. RWAs and institutions etc. by giving certificates by publishing their names on respective websites or rebate in property tax etc.

(ix) [Municipal Committee, Tangmarg/Gulmarg] shall ensure that the authorities of Agriculture Department, Floriculture Department, Horticulture, SKAUST are supplied with sufficient quantity of compost generated out of organic waste to phase out the use of chemical fertilizers and use compost in all parks, gardens maintained by them and wherever possible in other places under its jurisdiction. Incentives may be provided to recycling initiatives by informal waste recycling sector and shall take up with the Directorate of Horticulture, Agriculture and Floriculture for use of compost.

(x) [Municipal Committee, Tangmarg/Gulmarg] shall make efforts to streamline and formalize solid waste management systems and endeavour that the informal sector workers in waste management (waste pickers) are given priority to upgrade their work conditions and are enumerated and integrated into the formal system of solid waste management.

(xi) [Municipal Committee, Tangmarg/Gulmarg] shall ensure that the operator of a facility provides personal protection equipment including uniform, fluorescent jacket, hand gloves, raincoats, appropriate foot wear and masks to all workers handling solid waste and the same are used by the workforce.

(xii) [Municipal Committee, Tangmarg/Gulmarg] shall ensure occupational safety of its own staff and staff of outsourced agency involved in collection transport and handling of waste by providing appropriate and adequate personal protective equipments.

(xiii) In case of an accident at any solid waste processing or treatment or disposal facility or landfill site, the officer-in-charge of the facility shall report to [Municipal Committee, Tangmarg/Gulmarg] immediately which shall review and issue instructions, if any, to the in-charge of the facility.

(xiv) Regular checks : The Executive Officer, Municipal Committee, Tangmarg/Gulmarg shall conduct regular checks in various parts of the wards and other places of collection, transportation, processing and disposal of solid waste to supervise compliance of various provisions of SWM Rules and these bye-laws.

(xv) [Municipal Committee, Tangmarg/Gulmarg] shall develop a public grievance redressal system (PGRS) by setting up of call centre at its headquarter. The PGRS may include SMS based service mobile application or web based services.

(xvi) [Municipal Committee, Tangmarg/Gulmarg] shall install biometric/smart card technologies/ICT System for tracking and recording attendance of employees associated with the working of SWM Rules and these bye-laws at Hq./all zones/ward offices etc. and shall make an endeavour to integrate such system with the salary/wages/remuneration.

(xvii) Transparency and Public Accessibility : To ensure greater transparency and public accessibility, [Municipal Committee, Tangmarg/Gulmarg], shall provide all necessary information through its website.

(xviii) [Municipal Committee, Tangmarg/Gulmarg] shall perform all other duties mentioned in SWM Rules, which have not been specifically mentioned in these bye-laws.

## CHAPTER X

### Miscellaneous

15. If any doubt or difficulty arises in the interpretation or implementation of these bye-laws the same shall be placed before Administrative Secretary of Housing and Urban Development Department, whose decision in the matter shall be final.

16. *Co-ordination with Government Bodies.*—[Municipal Committee, Tangmarg/Gulmarg] shall co-ordinate with other government agencies and authorities, to ensure compliance of these bye-laws within areas under the jurisdiction or control of such bodies. In case of any difficulty matter shall be placed before Chief Secretary of Government of J&K.

17. The Competent Authority may issue general or special orders from time to time for proper implementation of Solid Waste Management Rules, 2016 and these bye-laws.

18. *Right to Appeal.* Any person aggrieved or affected by Jammu and Kashmir Solid Waste Management Bye-Laws, 2018 shall have the right to appeal before concerned Commissioner, Municipal Corporation or Director, [Municipal Committee, Tangmarg/Gulmarg] within 30 days and in case he is not satisfied with the disposal of Commissioner/Director concerned, the second appellate authority shall be Administrative Secretary of Housing and Urban Development Department whose decision shall be final and binding.

(19) *Jurisdiction.*—For filing cases against the Bye-Laws the Jurisdiction is Jammu and Srinagar only.

## PART III

### Laws, Regulations and Rules passed thereunder.

ô ô ô ô

#### PULWAMA MUNICIPAL COMMITTEE, SOLID WASTE MANAGEMENT BYE-LAWS, 2019.

#### Notification

In exercise of the powers conferred by clause (9) of rule 3 read with clauses (e), (f), (zf) and (zg) of rule 15 of the Solid Waste Management Rules, 2016, the Authority hereby make the following bye-laws ; namely :ô

#### CHAPTER I

1. *Short title and commencement.*ô (1) These bye-laws shall be called the Municipal Committee, Pulwama, Solid Waste Management Bye-Laws, 2019.

(2) They shall come into force on the date of their publication in the J&K Government Gazette.

2. *Extent of Application.*ô These bye-laws shall be applicable within the territorial limits of Municipal Committee, Pulwama.

any other waste generator including buildings occupied by the Central Government departments or undertakings, State Government departments or undertaking, Local bodies, public sector undertakings or private companies, hospitals, nursing homes, schools, colleges, universities, other educational institutions, hostels, hotels, commercial establishments, markets, places of worship, stadia and sport complexes having an average waste generation rate exceeding 100 Kg. per day ;

- (10) **“C&D waste (Construction and Demolition waste)”** means Construction and Demolition Waste (Debris) that are non-hazardous in nature generated out of building materials, debris and rubble in the jurisdiction of Municipal Committee, Pulwama.
- (11) **“Clean Area”** means the public place in front of and all around or adjacent to any premises extending to the kerb side and including the drain, foot path and kerb cleaned and so maintained in accordance with these bye-laws ;
- (12) **“Cleanliness Fee”** means an amount of fees collected by the managers/Organizers for cleaning the site by the Agency ;
- (13) **“Collection”** means lifting and removal of solid waste from source of waste generation, collection points or any other location ;
- (14) **“Collection Counter”** means where the user charges shall be remitted which will be available at all Zonal Officers and headquarters.
- (15) **“Combustible waste”** means non-biodegradable, non-recyclable, non-reusable, non-hazardous solid waste having minimum calorific value exceeding 1500 kcal/kg and excluding chlorinated materials like plastic, wood pulp, etc.;
- (16) **“Community waste storage bin”** means any storage facility setup and maintained by the Municipal Committee,

No. 26-19] The J&K Govt. Gazette, 30th Sept., 2019/8th Asv., 1941. 5  
used needles and syringes and contaminated gauge, etc.,  
generated at the household level ;

- (24) **“Door to door collection”** means collection of solid waste from the door step of households, shops, commercial establishments, offices, institutional or any other non-residential premises and includes collection of such waste from entry gate or a designated location on the ground floor in a housing society, multistoried building or apartments, large residential, commercial or institutional complex or premises ;
- (25) **“Dry waste”** means waste other than bio-degradable waste and inert street sweepings and includes recyclable and non recyclable waste, combustible waste and sanitary napkin and diapers, etc. ;
- (26) **“Dump sites”** means a land utilized by local body for disposal of solid waste without following the principles of sanitary land filling ;
- (27) **“Event”** means any gatherings for the purpose of functions, celebrations, meetings, rallies, processions, open air theatre activities, cinema shootings in public places.
- (28) **“Extended producer responsibility”** (EPR) means responsibility of any producer of packaging products such as plastic, tin, glass, wrappers and corrugated boxes, etc., for environmentally sound management, till end-of-life of the packaging products ;
- (29) **“E-waste”** shall have the same meaning as defined under Rule 3(l) (r) of the E-Waste (Management) Rules, 2016.
- (30) **“Facility”** means any establishment wherein the solid waste management processes namely segregation, recovery, storage, collection, recycling, processing, treatment or safe disposal are carried out ;
- (31) **“Familiarization/warning period”** means that specific period, during which there is a relaxation in the fines for contravention of these bye-laws ;

6 The J&K Govt. Gazette, 30th Sept., 2019/8th Asv., 1941. [No. 26-19  
oo

- (32) **“Fine”** means penalty imposed on waste generators or operators of waste processing and disposal facilities under the bye-laws for non-compliance of the directions contained in rules and/or these bye-laws ;
- (33) **“Fixed Compactor Transfer Station (FCTS)”** means a powered machine which is designed to compact segregated solid waste and remains stationary when in operation. The compacts or may also be mobile when in operation, which may be called Mobile Transfer Station (MTS) ;
- (34) **“Handling”** includes all activities relating to sorting, segregation, material recovery, collection, secondary storage, shredding, baling, crushing, loading, unloading, transportation, processing and disposal of solid wastes ;
- (35) **“Hazardous waste”** means any waste which by reason of any of its physical, chemical, reactive, toxic, causing danger or is likely to cause danger to health or environment, whether alone or when in contact with other wastes or substances and all other hazardous wastes as defined in the Hazardous Wastes (Management and Handling) Rules, 1989 as amended to date and the Hazardous and other waste (Management and Transboundary Movement) Rules, 2016 ;
- (36) **“Horticulture, Parks and Garden Waste”** means waste from parks, gardens traffic island etc. These include grass clipping, annual weeds woody 'brown' carbon-rich material such as branches, twigs, wood chipping, straw, dead leaves, tree trimmings, etc. which cannot be accommodated in the daily collection system for bio-degradable waste ;
- (37) **“House-gully”** means a passage or strip of land, constructed, set apart or utilized for the purpose of serving as or carrying a drain or affording access to the latrine, urinal, cesspool or other receptacle for filling of other polluted

matter by persons employed in the clearing thereof or in the removal of such matter therefrom.

- (38) **“Incineration”** means an engineered process involving burning or combustion of solid waste to thermally degraded waste materials at high temperatures ;
- (39) **“Inerts”** means wastes which are not bio-degradable, recyclable or combustible street sweeping or dust and silt removed from the surface drains ;
- (40) **“Informal waste collector”** includes individuals, associations or waste traders who are involved in sorting, sale and purchase of recyclable materials ;
- (41) **“Leachate”** means the liquid that seeps through solid waste or other medium and has extracts of dissolved or suspended material from it ;
- (42) **“Litter”** means all refuse and includes any other waste material which, if thrown or deposited as prohibited under these Bye-Laws, tends to create uncleanness or a danger or nuisance to public health, safety or welfare ;
- (43) **“Littering”** means putting litter in such a location that it falls, descends, blows, is washed, percolates or otherwise escapes or is likely to fall, descend blow, be washed, percolate or otherwise escape into or onto any public place, or causing, permitting or allowing litter to fall, descend, blow, washed, percolate or otherwise escape into or onto any public place ;
- (44) **“Local body”** for the purpose of these bye-laws means JMC/SMC and other Local Bodies including Municipal Councils, Municipal Committees, Town Area Committees, in the State ;
- (45) **“Materials Recovery facility” (MRF)** means a facility where non-compostable solid waste can be temporarily stored

by the local body or any other entity or any person or agency authorised by any of them to facilitate segregation, sorting and recovery of recyclables from various components of waste by authorised informal sector of waste pickers, informal recyclers or any other work force engaged by the local body or entity for the purpose before the waste is delivered or taken up for its processing or disposal ;

- (46) **“Neighbourhood”** means a clearly defined locality, with reference to its physical layout, character or inhabitants ;
- (47) **“New construction”** means all buildings under construction within the limits of the Municipal Committee, Pulwama ;
- (48) **“Non-biodegradable waste”** means any waste that cannot be degraded by microorganisms into simpler stable compounds ;
- (49) **“Nuisance”** includes any act, omission, place or thing which comes or is likely to cause injury, danger, annoyance or offence to the sense of sight, smelling or hearing or which is or may be dangerous to life or injurious to health or property ;
- (50) **“Nuisance Detectors”** (NOs) means those employees of the Municipal Committee, Pulwama who are appointed to detect the acts of Public nuisance, etc. ;
- (51) **“Occupier/occupant”** includes any person who for the time being is in occupation of, or otherwise using, any land or building or part thereof, for any purpose whatsoever ;
- (52) **“Operator of a facility”** means a person or entity, who owns or operates a facility for handling solid waste which includes the Municipal Committee, Pulwama and any other entity or agency appointed by the Municipal Committee, Pulwama ;
- (53) **“Owner”** means any person who exercises the rights of an owner of any building, or land or part thereof ;

- (54) **“Pelletisation”** means a process whereby pellets are prepared which are small cubes or cylindrical pieces made out of solid waste and includes, fuel pellets which are also referred as refuse derived fuel ;
- (55) **“Primary collection”** means collecting, lifting and removal of segregated solid waste from source of its generation including households, shops, offices and any other non-residential premises or from any collection points or any other location specified by the Municipal Committee, Pulwama.
- (56) **“Processing”** means any scientific process by which segregated solid waste is handled for the purpose of reuse, recycling or transformation into new products ;
- (57) **“Public place”** includes any road, arch road, viaduct, lane, footway, alley or passage, highway, causeway, bridge, square alley or passage whether a thoroughfare or not over which the public have a right of passage, and such places to which the public has access such as parks, gardens, recreation grounds, playgrounds, beaches, water bodies, water courses, public plazas and promenades, government and municipal buildings, public hospitals, markets, slaughter houses, courts, etc. ;
- (58) **“Prescribed”** means prescribed by SWM Rules and/or these bye-laws ;
- (59) **“Receptacle”** means any storage container, including bins and bags, used for the storage of any category of MSW ;
- (60) **“Recycling”** means the process of transforming segregated non-biodegradable solid waste into new material or product or as raw material for producing new products which may or may not be similar to the original products ;
- (61) **“Recyclable Waste”** means the waste that is commonly found in the MSW. It is also called as "Dry Waste". These include many kinds of glass, paper, metal, plastic, textiles, electronics goods, etc.

10 The J&K Govt. Gazette, 30th Sept., 2019/8th Asv., 1941. [No. 26-19  
oo

- (62) **“Redevelopment”** means rebuilding of old residential or commercial buildings at the same site, where the existing buildings and other infrastructures have become dilapidated ;
- (63) **“Refuse”** means any waste matter generated out of different activities, processes, either Bio-degradable/Non-biodegradable/recyclable in nature in either solid or semi-solid form which cannot be consumed, used or processed by the generator in its existing form.
- (64) **“Refuse Derived Fuel” (RDF)** means fuel derived from combustible waste fraction of solid waste like plastic, wood, pulp or organic waste, other than chlorinated materials, in the form of pellets or fluff produced by drying, shredding, dehydrating and compacting of solid waste ;
- (65) **“Residual solid waste”** means and includes the waste and rejects from the solid waste processing facilities which are not suitable for recycling or further processing ;
- (66) **“Rule”** means Solid Waste Management Rules, 2016 ;
- (67) **“Sanitation”** means the promotion of hygiene and the prevention of disease and other consequences of ill health relating to environmental factors ;
- (68) **“Sanitary Landfill Facility”** means a waste disposal site for the deposit of residual solid waste in a facility designed with protective measures against pollution of ground water, surface water and air fugitive dust, wind-blown litter, bad odour, fire hazard, bird menace, pests or rodents, greenhouse gas emissions, slope instability and erosion ;
- (69) **“Sanitary land filling”** means the final and safe disposal of residual solid waste and inert wastes on land in a facility designed with protective measures against pollution of ground water, surface water and fugitive air dust, wind-blown litter, bad odour, fire hazard, animal menace, bird menace, pests or rodents, greenhouse gas emissions, persistent organic pollutants slope instability and erosion ;

- (70) **“Sanitary waste”** means wastes comprising of used diapers, sanitary towels or napkins, tampons, condoms, incontinence sheets and any other similar waste ;
- (71) **“Sanitary worker”** means a person employed by the Municipal Corporation, Municipal Council, Municipal Committee for collecting or removing MSW or cleansing the drains in the municipal/corporation areas ;
- (72) **“Schedule”** means the Schedule appended to these rules ;
- (73) **“Storage”** means the temporary containment of solid waste in a manner so as to prevent littering, attraction to vectors, stray animals and excessive foul odour ;
- (74) **“Secondary storage”** means the temporary containment of solid waste after collection at secondary waste storage depots or MRFs or bins for onward transportation of the waste to the processing or disposal facility ;
- (75) **“Segregation”** means sorting and separate storage of various components of solid waste namely biodegradable wastes including agriculture and dairy waste, non-biodegradable wastes including recyclable waste, non-recyclable combustible waste, sanitary waste and non recyclable inert waste, domestic hazardous wastes, and construction and demolition wastes ;
- (76) **“Service provider”** means an authority providing public utility services like water, sewerage, electricity, telephone, roads, drainage, etc. ;
- (77) **“Solid waste”** means and includes solid or semi-solid domestic waste, sanitary waste, commercial waste, institutional waste, catering and market waste and other non-residential wastes, street sweepings, silt removed or collected from the surface drains, horticulture waste, agriculture and dairy waste, treated bio-medical waste, Hazardous waste excluding industrial waste, bio-medical waste and e-waste, battery waste, radio-active waste generated in the area under the local authorities and other entities ;

12 The J&K Govt. Gazette, 30th Sept., 2019/8th Asv., 1941. [No. 26-19  
oo

(78) **“Sorting”** means separating various components and categories of recyclables such as paper, plastic, cardboards, metal, glass, etc., from mixed waste as may be appropriate to facilitate recycling ;

(79) **“Source”** means the premises in which the waste is generated or a community storage centre used by owners/occupiers of one or more premises for segregated storage of MSW ;

(80) **“Spittoon”** means a metal or earthenware pot typically having a funnel-shaped top, used for spitting into.

(81) **“Stabilising”** means the biological decomposition of biodegradable wastes to a stable state where it generates no leachate or offensive odours and is fit for application to farm land, soil erosion control and soil remediation ;

(82) **“Stabilised biodegradable waste”** means the biologically stabilized (free of pathogens) waste resulting from the mechanical/biological treatment of bio degradable waste ; only when stabilised can such waste be used with no further restrictions ;

(83) **“Street vendor”** means any person engaged in vending of articles, goods, wares, food items or merchandise of everyday use or offering services to the general public, in a street, lane, side walk, footpath, pavement, public park or any other public place or private area, from a temporary built up structure or by moving from place to place and includes hawker, peddler, squatter and all other synonymous terms which may be local or region specific; and the words ÷street vendingø with their grammatical variations and cognate expressions, shall be construed accordingly ;

(84) **“Tipping fee”** means a fee or support price determined by the local authorities or any state agency authorised by the State government to be paid to the concessionaire or operator of waste processing facility or for disposal of residual solid waste at the landfill ;

No. 26-19] The J&K Govt. Gazette, 30th Sept., 2019/8th Asv., 1941. 13  
oo

- (85) **“Transportation”** means conveyance of solid waste, either treated, partly treated or untreated from a location to another location in an environmentally sound manner through specially designed and covered transport system so as to prevent the foul odour, littering and unsightly conditions ;
- (86) **“Transfer station”** means a facility created to receive solid waste from collection areas and transport in bulk in covered vehicles or containers to waste processing and, or, disposal facilities ;
- (87) **“Treatment”** means the method, technique or process designed to modify physical, chemical or biological characteristics or composition of any waste so as to reduce its volume and potential to cause harm ;
- (88) **“User fee/Charges”** means fees or charges imposed by Municipal Committee, Pulwama through general or special order of the Competent Authority from time-to-time, on the waste generator to cover full or part cost of providing solid waste collection, transportation, processing and disposal services ;
- (89) **“Vacant Plot”** means any Land or open space belonging to a private party/person that is not occupied by them/him ;
- (90) **“Vermi composting”** means the process of conversion of bio-degradable waste into compost using earth worms ;
- (91) **“Waste hierarchy”** means the priority order in which the solid waste is to be managed by giving emphasis to prevention, reduction reuse, recycling, recovery and disposal, with prevention being the most preferred option and the disposal at the landfill being the least ;
- (92) **“Waste generator”** means and includes every person or group of persons, every residential premises and non-residential establishments including Indian Railways, defence establishments, which generate solid waste or other

14 The J&K Govt. Gazette, 30th Sept., 2019/8th Asv., 1941. [No. 26-19  
institutions i. e. Hotels, restaurants, malls, private/government  
business/ industrial establishments falling within the limits of  
Municipal Committee, Pulwama.

- (93) **“Waste picker”** means a person or groups of persons informally engaged in collection and recovery of reusable and recyclable solid waste from the source of waste generation, streets, bins, material recovery facilities, processing and waste disposal facilities for sale to recyclers directly or through intermediaries to earn their livelihood.

## CHAPTER II

### Segregation and Primary Storage of Solid Waste

#### 4. *Segregation and storage of solid waste at source.*

(1) It shall be necessary for all waste generators to separate and store the solid waste coming out of their own places regularly into three streams namely :

- (a) non-biodegradable or dry waste ;
- (b) biodegradable or wet waste ;
- (c) domestic hazardous waste; and deposit it into covered waste bins, and handover segregated waste to designated waste collectors as per the direction of Municipal Committee, Pulwama from time to time.

(2) Every bulk waste generator is to separate and store the solid waste coming out of their own places into three streams namely :

- (a) non-biodegradable or dry waste ;
- (b) biodegradable or wet waste ;
- (c) hazardous waste in suitable bins ; and handover segregated waste to authorised waste processing or disposal facilities or deposition centres through the authorised waste collection agency with paying the carrying charges specified by Municipal Committee, Pulwama from time to time.

No. 26-19] The J&K Govt. Gazette, 30th Sept., 2019/8th Asv., 1941. 15  
oo

(3) The colour of bins for storage of segregated waste shall be green- for biodegradable waste or wet waste blue - for non- biodegradable or dry waste and black- for domestic hazardous waste.

(4) All resident welfare and market associations shall ensure segregation of waste at source by the generators, facilitate collection of segregated waste in separate streams, handover recyclable material to either the authorised waste pickers or the authorised recyclers. The bio-degradable waste shall be processed, treated and disposed of through composting or bio-methanation within the premises as far as possible. The residual waste shall be given to the waste collectors or agency as directed by Municipal Committee, Pulwama.

(5) All gated communities and institutions with more than 5,000 sq. m. area shall ensure segregation of waste at source by the generators, facilitate collection of segregated waste in separate streams, handover recyclable material to either the authorised waste pickers or the authorised recyclers. The bio-degradable waste shall be processed, treated and disposed off through composting or bio- methanation within the premises as far as possible. The residual waste shall be given to the waste collectors or agency as directed by Municipal Committee, Pulwama.

(6) All hotels and restaurants shall ensure segregation of waste at source, facilitate collection of segregated waste in separate streams, handover recyclable material to either the authorised waste pickers or the authorised recyclers. The bio-degradable waste shall be processed, treated and disposed of through composting or bio-methanation within the premises as far as possible. The residual waste shall be given to the waste collectors or agency as directed by Municipal Committee, Pulwama.

(7) No person shall organize an event or gathering of more than one hundred persons at any unlicensed place without intimating Municipal Committee, Pulwama along with payment of user fee as prescribed in the schedule, at least three working days in advance and the person or the organizer of such event shall ensure segregation of waste at source and handing over of segregated waste to waste collector or agency as specified by Municipal Committee, Pulwama.

(8) Used sanitary waste are to be securely wrapped as and when generated in the pouches provided by the manufacturers or brand owners of these products or in a news paper or suitable biodegradable wrapping material and place the same in the bin meant for non-biodegradable waste or dry waste.

(10) Waste generator of garden and horticulture waste generated from his premises shall store such waste separately in his own premises and dispose of the same as per the directions of Municipal Committee, Pulwama from time to time.

(12) Construction and Demolition Waste shall be stored and delivered separately as per the Construction and Demolition Waste Management Rules, 2016.

(14) Every owner/occupier of any premises other than designated slaughter houses and markets, who generates poultry, fish and slaughter waste as a result of any commercial activity, shall store the same separately in closed, hygienic condition and deliver it at a specified time, on a daily basis to the Municipal Committee, Pulwama, collection vehicle provided

No. 26-19] The J&K Govt. Gazette, 30th Sept., 2019/8th Asv., 1941. 17  
for this purpose. Depositing of such waste in any community waste bin is strictly prohibited.

(15) Segregated bio-degradable solid waste if not composted by the generators, shall be stored by them within their premises and its delivery shall be ensured to the municipal worker/vehicle/waste picker/waste collector or to the bio-degradable waste collection vehicle provided for specified commercial generators of bulk bio-degradable waste at such times as may be notified from time to time.

### CHAPTER III

#### **Solid Waste Collection**

5. *Collection of Solid Waste.* (1) In compliance with SWM Rules, 2016, door to door collection of segregated solid waste shall be implemented in all areas or Wards of Municipal Committee, Pulwama, to collect garbage from every house, including slums and informal settlements on a daily basis by integrating the informal door to door collection system with Municipal Committee, Pulwama collection system.

(2) In order to collect garbage from every house, area-wise specific time slot shall be set and published at conspicuous parts of that area and on the website of Municipal Committee, Pulwama Commonly, time for house to house garbage collection shall be set from 5.30 A. M. to 10.30 A. M. for summer and for winter 7:00 A. M. to 11:00 A. M. For collection of garbage from trading establishments, shops in commercial areas or any other institutional waste generators, commonly the time shall be from 7.30 A. M. to 11.00 A. M. However, sweeping can be undertaken twice daily, if required at public and commercial places. The timing for collection of garbage from the trading establishments, shops in commercial areas or any other institutional waste generators shall be decided by the Municipal Committee, Pulwama accordingly.

(3) Arrangements shall be made for collection of residual solid waste from bulk waste generators, which are processing waste *in-situ*.

(4) Residual solid waste from vegetable, fruit, flower, meat, poultry and fish market shall be collected on day to day basis.

18 The J&K Govt. Gazette, 30th Sept., 2019/8th Asv., 1941. [No. 26-19  
oo

(5) Horticulture and garden waste shall be separately collected and disposed off. One or two days in a week shall be specified for this purpose.

(6) To make optimum use of bio-degradable waste from fruits and vegetable markets, meat and fish markets, bulk horticulture and garden waste and to minimize the cost of collection and transportation, such waste shall be processed or treated within the area where waste is generated.

(7) Manual handling of waste in the containers shall be prohibited. If unavoidable due to constraints, manual handling shall be carried out under proper protection with due care for safety of workers.

(8) Waste generators shall be responsible to deposit their segregated waste in the Auto-Tipper/Rickshaws etc. deployed by Municipal Committee, Pulwama. Segregated waste from multistoried buildings, apartments, housing complexes may be collected from the entry gate or any other designated location.

(9) Changing needs and advances in technology shall be taken into consideration for selection of collection equipment and vehicles. Auto-Tippers or vehicles of specific capacity with hydraulically operated hopper covering mechanism from top having two compartments for carrying biodegradable and non-biodegradable waste separately with a hooter shall be deployed for collection of waste.

(10) Automatic voice recorded device, bell or horn having sound not more than the permissible noise level shall be installed on every garbage collection vehicle used by waste collectors.

(11) Route plans for each primary collection and transportation vehicle shall be provided by Municipal Committee, Pulwama or by the notified authorised waste collector. These plans in tabular as well as GIS map form, duly approved by Municipal Committee, Pulwama shall mention starting point, start time, waiting points, waiting time on route, end point and end time of the specified route. Municipal Committee, Pulwama or the notified authorised waste collector shall provide a Board at each street to display time-table of primary collection and transportation vehicles to allow residents avail the facility at prescribed time. Such information

No. 26-19] The J&K Govt. Gazette, 30th Sept., 2019/8th Asv., 1941. 19  
shall also be uploaded on the website of Municipal Committee, Pulwama  
and published in the local leading newspaper periodically for the information  
of General Public.

(12) In narrow streets that cannot be serviced by auto tipper or the vehicle, a 3-Wheeler or smaller motorized vehicle with hydraulically operated hopper covering mechanism from top having two compartments for carrying wet and dry waste separately with a hooter, compatible with mobile transfer station shall be deployed.

(13) In congested and narrower streets that cannot even be serviced by 3-Wheeler or smaller vehicle, cycle rickshaws or any other type of suitable equipment shall be deployed.

(14) Smaller, narrow and congested streets/lanes where even a 3-wheeler/rickshaw etc. cannot operate, vantage points shall be designated at the start of the locality/street where the collection vehicle shall be parked and the helper/driver of vehicle shall carry a whistle and walk in the locality to announce arrival of vehicle for collecting solid waste. Time table for such collection system shall be displayed at the notice board and uploaded on the website of Municipal Committee, Pulwama.

(15) Auto tippers, 3-wheelers, rickshaws and any other type of collection vehicles engaged in this service shall collect waste only from households and not from any other source viz. dhalaos, open sites, ground, bins and drains etc.

(16) Municipal Committee, Pulwama or its notified authorised waste collectors shall be responsible to cover all the streets/lanes of each zone for the primary collection.

## CHAPTER IV

### Secondary Storage of Solid Waste

#### *6. Storage of solid waste in the secondary storage points.*

(1) Segregated solid waste collected from doorsteps shall be taken to waste storage depots, community storage bins or fixed or mobile transfer stations or the locations specified by Municipal Committee, Pulwama for secondary storage of waste.

(9) Municipal Committee, Pulwama or its specified agency shall carry out washing and disinfection of all the bins on a weekly basis.

(a) Municipal Committee, Pulwama shall convert its existing Dhalaos or identify specific location as per requirement, as Recycling Centers which shall be used for segregation of dry waste received through street/door to door waste collection service. Recycling centers may be increased depending on the quantity of dry waste received.

(c) There shall also be a provision for the households to directly deposit or sell their recyclable dry waste to the authorised agents and/or authorised waste dealers of Municipal Committee, Pulwama at these recycling centers at pre-notified rates. A weighing scale and a counter shall be provided at each recycling unit for this purpose. The authorised agents and/or authorised waste dealers shall be allowed to dispose off or sell the recyclable waste to the secondary market or recycling units only in consonance

22 The J&K Govt. Gazette, 30th Sept., 2019/8th Asv., 1941. [No. 26-19  
with the provisions of SWM Rules, 2016. The authorised  
agents and/or authorised waste dealers will be entitled to  
retain sales realization thereof.

(11) Deposition Centre for specified Domestic Hazardous  
Waste

- (a) For the collection of domestic hazardous waste, a deposition centre will be set up at a suitable location for receiving the specified domestic hazardous waste. Such facility shall be set in each ward in a manner as per guidelines prescribed and notify the timing of receiving of such waste.
- (b) Municipal Committee, Pulwama may also give the responsibility to its agency or concessionaire to collect domestic hazardous waste from all waste generators in segregated manner.
- (c) Such waste shall be transported separately to the hazardous waste disposal facility set up by the Government.

## CHAPTER V

### Transportation of Solid Waste

7. *Transportation of solid waste.* (1) Vehicles used for transportation of waste shall be covered in such manner that the collected waste is not exposed to open environment. The vehicles may also include compactors and mobile transfer stations depending upon choice of technology by Municipal Committee, Pulwama.

(2) The storage facilities set up by Municipal Committee, Pulwama shall be attended daily for clearing waste. The areas around the place where the bins or containers are kept shall also be cleaned.

(3) Collected segregated bio-degradable waste from residential and other areas shall be transferred to the processing plants like compost plants, bio-methanation plants or any such other facilities in a covered manner.

No. 26-19] The J&K Govt. Gazette, 30th Sept., 2019/8th Asv., 1941. 23  
oo

(4) Wherever applicable, for bio-degradable waste, preference shall be given for on-site processing of such waste.

(5) Collected non-bio-degradable waste shall be transported to the respective processing facilities or secondary storage facilities.

(6) Construction and Demolition Waste shall be transported as per the provisions of the Construction and Demolition Waste Management Rules, 2016.

(7) Municipal Committee, Pulwama shall make arrangements for transportation of inerts in a proper manner. The street sweeping waste and removable drain silt shall be removed immediately after the work is over.

(8) Transportation vehicles shall be so designed that multiple handling of waste, prior to final disposal, is avoided.

(9) The collection vehicles engaged for the purpose shall deposit/transfer waste only at the MTS (Mobile Transfer Station) or FCTS (Fixed compactor Transfer Stations) wherever provided.

(10) In case MTS/FCTS is not stationed at the designated location at that point of time for any reason, then the loaded vehicle shall go to the next designated location of the MTS or FCTS or the site specified by Municipal Committee, Pulwama to unload the waste.

(11) Fixed compactor transfer station shall be transported through hook loader.

(12) MTS or FCTS shall transport the waste directly to compost plant, waste to energy plant or any other site/plant designated by Municipal Committee, Pulwama.

(13) There should be no inter-mixing of waste from various sources during the transportation of waste.

(14) The services of street level collection and transportation of waste shall be provided every day including holidays.

(15) MTS engaged in this service shall receive waste only from designated auto tippers, 3-wheelers or vehicle/bins collecting waste from street level operations.

(16) Dedicated MTS shall be deployed at specified locations to receive waste from the Auto Tippers, 3-Wheelers, Rickshaws etc. engaged in street-level and door-to-door collection of solid waste from households and commercial establishments as per the approved route plans.

(17) Design of MTS and FCTS shall allow unloading of waste from primary collection vehicles by consuming minimum time and without littering waste.

(18) Garbage spilled near MTS and FCTS, while transferring the solid waste, should be cleaned so that no spillage is left. Disinfectant should be used after cleaning process at that location.

(19) Municipal Committee, Pulwama or its specified agency shall install CCTV cameras at all secondary storage facilities.

## CHAPTER VI

## Processing of Solid Waste

8. *Processing of solid waste.* (1) Municipal Committee, Pulwama shall facilitate construction, operation and maintenance of solid waste processing facilities and associated infrastructure on their own or through any agency for optimum utilisation of various components of solid waste adopting suitable technology including the following technologies and adhering to the guidelines issued by the Ministry of Urban Development from time to time and standards prescribed by the Central Pollution Control Board :

- (a) to minimise transportation cost and environmental impacts, preference shall be given to decentralised processing such as bio-methanation, microbial composting, vermi-composting, anaerobic digestion or any other appropriate processing for bio-stabilisation of biodegradable waste ;

- (2) Municipal Committee, Pulwama shall endeavour to create a market for consumption of RDF (Refuse Derived Fuel). The cement factories are liable to take RDF from municipal dumping sites who have to use RDF to the order of 5% of the total fuel burnt by them in their kilns.

(4) Municipal Committee, Pulwama shall ensure that recyclables such as paper, plastic, metal, glass, textile etc. go to authorised recyclers.

(2) Bulk generators who fail to install waste processing units within their premises shall be liable for fine to install such processing units with time line envisaged in the notices. If they perpetually fail to establish waste disposal system within six months after first notice issued to them, the Municipal Committee, Pulwama are empowered to seal such erring bulk waste generating business establishments.

(5) Special days in a month, preferably in first week of each month, shall be fixed for collection of user fee.

(7) The user fee mentioned in Schedule-I shall stand automatically increased by 5% after every 3 years with effect from 1st January of the year.

(9) In case of default of payment of user fee/fine, the competent authority may recover the same from the defaulter as an arrear of land revenue as per the provision of Land Revenue Act, 1996. However, Municipal Committee, Pulwama shall be allowed to effect the recovery under the provisions of Jammu and Kashmir Municipal Corporation Act, 2000.

(1) Whosoever contravenes or fails to comply with any of the provisions of SWM Rules or these bye-laws shall be imposed with fine as mentioned in Schedule-II appended to these bye-laws.

28 The J&K Govt. Gazette, 30th Sept., 2019/8th Asv., 1941. [No. 26-19  
oo

(2) In case of repeated contravention or non-compliance as mentioned in clause (a) above, fine amount for every such default shall be levied per day or month, as the case may be.

(3) The Executive Officer shall designate officers for levying fine or penalty by a general or special order in this behalf. The fine/penalty amount is specified in Schedule-II.

(4) The fine or penalty mentioned in Schedule-II shall stand automatically increased by 5% after every 3 years with effect from 1st January of the year.

(5) The fine shall be levied and collected on the spot by the designated officers. In case of non-payment of fine at the spot, the procedure for prosecution prescribed under provisions of the Environment (Protection) Act, 1986 shall follow.

(6) In realization of fines imposed on defaulters, the J&K State Pollution Control Board shall not renew the licenses of hotels and other business units unless an NOC is not procured by the business unit/s from the concerned Municipal Committee, Pulwama.

(7) Fine shall be imposed on the hospitals and allied concerns if they are found mixing bio-medical wastes with municipal solid waste.

(8) Charges for the material recovery by rag pickers or waste dealers to be decided by the concerned Municipal Committee, Pulwama.

(9) Concession to bulk purchasers of compost/plastic/tin and recyclables on the price of by product, if any, as a result of processing of Solid Waste shall be decided by the Municipal Committee, Pulwama.

(10) The cement manufacturing units shall be responsible to lift the RDF from municipal dumping sites and their license renewals be linked with Municipal Committee, Pulwama NOC.

(11) Tippers ferrying building material and causing avoidable waste on the streets shall be liable for fine to be decided by the Municipal Committee, Pulwama but not less than Rupees Five Hundred (500/-) per default.

## Responsibilities of stakeholders

- (a) Littering in any public place : No person shall litter in any public place except in authorised public or private litter receptacles. No person shall repair vehicles, wash/clean utensils or any other object or keep any type of storage in any public place except in such public facilities or conveniences specifically provided for any of these purposes.
- (b) Littering on any property : No person shall litter on any open or vacant property except in authorised private or public receptacles.
- (c) Litter-throwing from vehicles : No person, whether a driver or passenger in a vehicle, shall litter upon any street, road, sidewalk, playground, garden, traffic island or other public place. No vehicle shall be washed on roads, river banks, near public parks, water bodies.
- (d) Litter from goods vehicles : No person shall drive or move any truck or other goods vehicle unless such vehicle is so constructed and loaded as to prevent any load, contents or litter from being blown off or deposited upon any road, sidewalks, traffic island, playground, garden or other public place.
- (e) Litter by owned/pet animals : It shall be the responsibility of the owner of any pet animal including dog, cat etc. to promptly scoop/clean up any litter created by such pet on the street or any public place and take adequate steps for the proper disposal of such waste preferably by their own sewage system.
- (f) Disposal of waste in drain etc. No person shall litter in any drain/river/open pond/water bodies.

(2) Burning of waste : Disposal by burning of any type of solid waste at public places or at any private or public property is strictly prohibited.

(3) **öClean Areaö** : Every person shall endeavour that any public place in front of or adjacent to any premises owned or occupied by him including the footpath and open drain/gutter and kerb is free of any waste, either in solid or liquid form.

(4) For Public Gatherings and Events organised in public places for any reason (including for processions, exhibitions, circuses, fairs, political rallies, commercial, religious, socio-cultural events, protests and demonstrations, etc.) where the permission from the Police Department and/or from the Municipal Committee, Pulwama is required, it will be the responsibility of the organiser of the event or gathering to ensure the cleanliness of that area as well as all appurtenant areas.

(5) Refundable Cleanliness Deposit, as may be notified by the Municipal Committee, Pulwama, will be taken from the organiser, by the concerned zonal office for the duration of the event. This deposit will be refunded on the completion of the event after it is noted that the said public place has been restored back to a clean state, and any waste generated as a result of the event has been collected and transported to designated sites. This deposit will be only for the cleanliness of the public place and does not cover any damage to property. In case the organisers of the event wish to avail of the services of the Municipal Committee, Pulwama for the cleaning, collection and transport of waste generated as a result of that event, they must apply to the concerned Executive Officer of the Municipal Committee, Pulwama and pay the necessary charges as may be fixed by the Competent Authority for this purpose.

(6) Dumping of solid waste on vacant plot and depositing construction and demolition waste at non-designated locations shall be dealt with by the Municipal Committee, Pulwama in the following manner :

- (a) The Municipal Committee, Pulwama may serve a notice on the owner/occupier of any premises, requiring such owner/

- (7) Duty of manufacturers or brand owners of disposable products and sanitary napkins and diapers

- 0.5% of Annual turnover shall be chargeable from them for establishment/maintenance of solid waste management facilities to be deposited with the concerned corporation/local body.**

- (b) All such brand owners who sell or market their products in such packaging material which are non-biodegradable shall

put in place a system to collect back the packaging waste generated due to their production.

- (c) Manufacturers or brand owners or marketing companies of sanitary napkins and diapers shall explore the possibility of using all recyclable materials in their products or they shall provide a pouch or wrapper for disposal of each napkin or diapers along with the packet of their sanitary products.
- (d) All such manufacturers, brand owners or marketing companies shall educate the masses for wrapping and disposal of their products.

(8) All industrial units using fuel and located within one hundred Km. from a solid waste based refuse derived fuel plant shall make arrangements to replace at least five percent of their fuel requirement by refused derived fuel so produced.

(1) Municipal Committee, Pulwama shall within its territorial area, be responsible for ensuring regular system of surface cleaning of all common streets/ roads, public places, temporary settlements, slum areas, markets, its own parks, gardens, drains etc. by employing human resources and machines and shall be bound to collect the garbage from the declared storage containers, and transport it every day to the final disposal point in closed vehicles for which Municipal Committee, Pulwama may engage private parties on contract or Public Private Partnership mechanism with the prior approval of Govt., apart from its own cleaning staff and vehicles. In addition, Municipal Committee, Pulwama shall identify all the commercial areas for carrying out sweeping twice a day.

(2) Municipal Committee, Pulwama or the authorised agency engaged by it shall provide and maintain sufficient number of community litter bins of sufficient size on public roads, in surroundings of railway stations, bus stops, religious places, in commercial areas etc.

(3) Municipal Committee, Pulwama for the purpose of managing solid waste activities in decentralized and regular manner shall designate one officer in every ward to supervise the spots of containers, public toilets, community toilets or urinals in public places, transfer station for public garbage, landfill processing units etc.

No. 26-19] The J&K Govt. Gazette, 30th Sept., 2019/8th Asv., 1941. 33  
oo

(4) The competent authority shall designate sufficient Senior Officer/s, preferably not below the rank of Additional Deputy Commissioner or equivalent, as Nodal Officer/s to monitor the progress of segregation, collection, transportation, processing and disposal of solid waste.

(5) Each ward shall be divided into sweeping beats based on the prescribed parameter and deploy manpower accordingly or rationalize the existing deployment and monitor their work by using latest technology. Wherever it is unable to get sweeping through its own staff, it may outsource through contract. Each beat shall be inspected by the supervising officials on daily basis prescribed as per directions.

(6) Municipal Committee, Pulwama shall employ latest road/street cleaning machines, mechanical sweepers or other equipments which improves the efficiency of sweeping and drainage cleaning.

(7) Municipal Committee, Pulwama shall create awareness and sensitization through Information, Education and Communication (IEC) campaign and educate the waste generators and other stakeholders about the various provisions of Solid Waste Management Rules and these bye-laws with special emphasis on user fee and fines/penalties.

(8) Municipal Committee, Pulwama shall encourage waste generators to treat wet waste at source. It may consider creating systems for incentives for adoption of decentralized technologies such as bio-methanation, composting etc. Incentives may be like awarding and recognizing the households. RWAs and institutions etc. by giving certificates by publishing their names on respective websites or rebate in property tax etc.

(9) Municipal Committee, Pulwama shall ensure that the authorities of Agriculture Department, Floriculture Department, Horticulture, SKAUST are supplied with sufficient quantity of compost generated out of organic waste to phase out the use of chemical fertilizers and use compost in all parks, gardens maintained by them and wherever possible in other places under its jurisdiction. Incentives may be provided to recycling initiatives by informal waste recycling sector and shall take up with the Directorate of Horticulture, Agriculture and Floriculture for use of compost.

(10) Municipal Committee, Pulwama shall make efforts to streamline and formalize solid waste management systems and endeavour that the informal sector workers in waste management (waste pickers) are given priority to upgrade their work conditions and are enumerated and integrated into the formal system of solid waste management.

(11) Municipal Committee, Pulwama shall ensure that the operator of a facility provides personal protection equipment including uniform, fluorescent jacket, hand gloves, raincoats, appropriate foot wear and masks to all workers handling solid waste and the same are used by the workforce.

(12) Municipal Committee, Pulwama shall ensure occupational safety of its own staff and staff of outsourced agency involved in collection transport and handling of waste by providing appropriate and adequate personal protective equipments.

(13) In case of an accident at any solid waste processing or treatment or disposal facility or landfill site, the officer-in-charge of the facility shall report to Municipal Committee, Bijbehara immediately which shall review and issue instructions, if any, to the in-charge of the facility.

(14) Regular checks : The Executive Officer, Municipal Committee, Pulwama shall conduct regular checks in various parts of the wards and other places of collection, transportation, processing and disposal of solid waste to supervise compliance of various provisions of SWM Rules and these bye-laws.

(15) Municipal Committee, Pulwama shall develop a public grievance redressal system (PGRS) by setting up of call centre at its headquarter. The PGRS may include SMS based service mobile application or web based services.

(16) Municipal Committee, Pulwama shall install bio-metric/smart card technologies/ICT System for tracking and recording attendance of employees associated with the working of SWM Rules and these bye-laws at Hq./all zones/ward offices etc. and shall make an endeavour to integrate such system with the salary/wages/remuneration.

(17) Transparency and Public Accessibility : To ensure greater transparency and public accessibility, Municipal Committee, Pulwama shall provide all necessary information through its website.

(18) Municipal Committee, Pulwama shall perform all other duties mentioned in SWM Rules, which have not been specifically mentioned in these bye-laws.

## Chapter X

## Miscellaneous

15. If any doubt or difficulty arises in the interpretation or implementation of these bye-laws, the same shall be placed before the Chairperson, Municipal Committee, Pulwama, whose decision in the matter shall be final.
